WENTWORTH.

A correspondent writes: On Tuesday last we had a very sad accident in our vicinity. Fred Wright was mowing in his field when his boy, 9 years old, showed him where there was a bird's nest with young birds in it. The father told him the mower would go over them and not hurt them. Just as step forward, not noticing the knife behind, and the mower took the foot clean off about an inch above the ankle. The father was nearly beside himself on account of the accident, but there was no possible blame to be attached to him.
