

Summer wash vests—coolness for the dressy man.

In cut and design our summer vests express the correct fashions for the new season. Just little changes to be sure—a little more lapel, a slight curve to a line—but it means correct style.

The Semi-ready single and double-breasted vests show careful tailoring in their every line and in their perfection of fit.

Though the primary object of a wash vest is coolness, we have added style and comfort to ours. They are made of linens in neat, handsome patterns.

Prices, \$3.50 to \$5.00.
