INGERSOLL'S STRONG FISH PROVE WESTERN'S UNDOING

Local Intermediates Lost 4 to 3 in Overtime Game in Cheese Town — Were Outplayed in the Third and Overtime Periods on Poor Ice.

[BY BERT PERRY.]
INGERSOLL, Jan. 6.—Western University Intermediates were beaten here tonight by the Ingersoll seven in a hard fought game by the score of 4 to 3. It was necessary to play ten minutes overtime before the deciding goal was scored.

The ice was sticky and rough, and the puck acted more like a rubber ball than a rubber disc. Both teams found the game heavy, and attempts at combination play were broken up by the poor going. Western outplayed the local septette and looked to have an easy win at the end of the second period, when the time was 2 to 1 in their favor. In the third period, however, the Ingersoll team played the students off their feet, and the first ten minutes of the session tied the score. The game became very close at this stage, and at one time London had three men in the penalty box. Neither team was able to score in the remaining minutes, and ten minutes overtime was played.

In the first five minutes of the extra period, Gregory notched what proved to be the winning counter of the home boys.

Students Disappointing.
Western University's showing was disappointing to the students who accompanied the team. The same line-up that beat Woodstock last night was used, and it did not show up nearly as well. Ingersoll's team is, with two exceptions, the same as the team that won the junior series last year. It is not nearly as strong as the Ingersoll Intermediate team of last year and it is no heavier than the average junior seven. Western on pass performance should have beaten them handsly.

The poor ice and the big rink may have had something to do with the students' failure to win. The team lacked teamwork and the rushing line was almost out of the question on such a poor playing surface. Morenz and Ritchie were the best players, the latter particularly playing a poor game. He did very little checking back and did not show enough speed to keep himself warm. Morenz seemed to be lost at centre, and he missed a number of easy chances to score. Every time someone passed the puck to him, instead of returning the puck to the goal, he took a shot and usually hit a defence man.

There will be no practice at the arena this evening, the ice being in poor shape as a result of the recent mild weather. The teams will all be out tomorrow evening, however.

Gus Edwards is getting into condition, and he sure injects a lot of "pep" into that forward line. Johnny Ross never played a wing before, and although he worked hard he could not handle himself as did Gus.

Ross is one of the best individual men on the team at that, and he carried the puck down the full length of the rink on several occasions, and was able to evade the opposing team's defence, his rushes will result in a lot of goals.

Chapman stopped a flock of shots, but did not seem to be able to get the high ones. He is cool and always alert, and should show improvement each time out.

Alf Hall was bothered by the ice. The Ingersoll team checked Hall hard, and he tried to break away, and the big fellow was not as effective as usual.

Before the game, the players held a meeting and elected the captains of the various teams. Alf Hall is captain of the O. H. A. Intermediate team. Gus Edwards is captain of the Northern League senior team, and Andy McEvoy is captain of the Intermediate Intercollegiate team.

Secretary Jepson received a letter yesterday from the Intercollegiate Association, asking Western to send in a list of players. This was done, and it is likely a game will be formed, including Western University and Guelph O. A. C., and a schedule drawn up shortly.

NEW YORK'S AMATEUR MUDGLE CLEARING UP

NEW YORK, Jan. 6.—Although the New York Athletic club's committee on athletics, at a meeting tonight, adopted a resolution recommending to the board or governors that the club resign immediately from the Metropolitan Association of the Amateur Athletic Union this drastic action may not be taken.

Later tonight the registration committee of the Metropolitan Association after a lengthy session decided to rescind the order of suspension, announced yesterday, of five members of the New York Athletic Club, who under a by-law of the club, were prevented from taking part in several swimming and diving events which were to be decided this week at an exhibition in Madison Square Garden.

Two letters which passed between the captain of the New York Athletic Club, and the management of the swimming department of the Sportsmen's show at the Garden, dated December 29 and 30, were placed before the registration committee, and the club had requested the cancellation of the entries of the club in the swimming and diving events, and that the management of the exhibition had rejected the entries in deference to this request.

GALT GAVE PRESTON ANOTHER SURPRISE

Put Them Out of Northern League Running.

GOALKEEPER STARRED BOBBY WALLACE STARRED
Ice Was Soft, But Game Was Fast From Start to Finish.

[Special to The Advertiser.]
GALT, Jan. 6.—In the opening Northern League game here of the season this evening, Galt sprung a big surprise by defeating Preston 7 to 3. The defeat was a decisive one, the victory being attained at every stage of the game. The back-checking of the locals featured their play. The forwards showed work, and the defence work could not be improved upon. Dolson, Galt's junior goalkeeper, merely a boy, proved himself a wonder. It was his first league game, but he played like a veteran. Preston was completely taken by surprise, and by their defeat tonight are out of the running for the district. Referee—Fraser, Paris.

WOODSTOCK COLLEGE TRIMMED BRANTFORD
Hard Fought Contest Resulted in 7 to 3 Score.

[Special to The Advertiser.]
WOODSTOCK, Jan. 6.—Woodstock College Junior O. H. A. team defeated Brantford here tonight in a hard fought game by the score of 7 to 3. In what proved to be a hard-fought contest, despite the heavy ice, the stars of the game appeared about evenly matched during the first period, Brantford scoring one goal to the locals' nil. In the second period, however, the college came to life, and with the splendid work of Bobby Wallace, the star of the game, who scored six out of the seven goals for the college, led at the end of the second period by the time of 5 to 2.

The effects of the heavy going were plainly discernible on the players of both teams during the last 20 minutes, but the two teams battled hard, and Doyle, at right wing, starred, and kept the lead of their opponents, and Woodstock to keep down the score. The game was fairly close, only one or two slight mix-ups occurring during the entire match. For Brantford, Bulmar, at centre, and Doyle, at right wing, starred, the first-mentioned being a nice stick-hander, and very speedy. Summerville, at left defence, was a fine player, in goal, certainly deserved credit for the splendid exhibition he gave, especially in the first period. The teams: Brantford—Summerville, goal; Sleight, left defence; Warren, right defence; Truitt, right wing; Doyle, right wing; Woodstock—Dunlop, goal; Cavanagh, left defence; Warren, right defence; Swartzman, rover; Wallace, centre; Shields, left wing; Colbeck, right wing; Referee—H. Struik, Toronto.

The teams: Ontarios 2, Toronto 4. Position. Lesueur, goal; Marshall, point; H. McNamara, rover; G. R. Porter, left wing; Marshall, centre; Roman, right wing; Walker, left wing; Smith, right wing; Wilson, right wing; Referee—Dr. Wood; Umpire, Lou E. Marsh.

Team's Showing at Ingersoll Last Night Gave Management Line On Weak Spots—Gillies, Reid and Arthurs Will Figure in Next Game.

Several changes have been planned in the make-up of the Western University team before they figure in any more games, and local fans will see a decided improvement in the intermediates before many days have passed. Last night's defeat in Ingersoll was a lesson to the team, and the group has lost at least one game, and it is anybody's championship yet.

The local team needs a stronger defence, and it is likely George Chantley will be given a chance in the next game. The team is also weak at centre and on left wing. Davey Reid is needed, and Gillies and Arthurs are available. Daubs, who played such a great game on the wing in the post-office team in the Manufacturers' League in Tuesday night, will also be given a tryout if he cares to turn out.

The condition of the ice last night had a great deal to do with Western's defeat. The team could not get going right, while Ingersoll improved as the game progressed. Ward, who has been a great asset to the team, is expected to double the score on the Ingersoll team.

Jimmy Dunn, manager of Johnny Kilbane, has turned over a new leaf with a vengeance. In 1914 Kilbane fought hardly enough to keep in trim, not enough in fact; the featherweight champion's bout with Joe Mandot proved.

In 1915 all will be different. Monday night Kilbane fought his first fight of the year in Pittsburgh, which is getting an early start, as early as possible. Dunn has booked four more fights for this month, and in February he hopes to match his man against the best heavyweight champion, Kid Williams.

January 8 Kilbane meets Frankie Dailey in a round-bout at Toledo. On the 14th Kilbane will probably meet Young Goldie at Pittsburgh. Wednesday Dunn signed articles for a bout between Kilbane and Peckey Honey at Philadelphia, January 18. About a week later Kilbane will box Artie Root, Cleveland. Dunn also is considering other bouts.
