Nervous Prostration and Heart Troubles

Nervous Prostration, or Neurasthenia, is one of the worst forms of nerve trouble and brings about a general weakness of the whole nervous system. The symptoms presenting themselves are headache, a feeling of depression, disturbed and restless, unrefreshing sleep, often troubled with dreams, fright when in crowded places, dread of being alone, horror of society, fright at travelling, muscular weakness, sense of fatigue upon effort, etc.

When the nerves become affected in this way the heart generally becomes affected, too. All are curable if taken in time. "Milburn's Heart and Nerve Pills are just what you require at this time. They strengthen the nerves and build up the whole system."

Mrs. John Hewson, California, Ont., writes: "I feel it my duty to let you know the great benefit your Milburn's Heart and Nerve Pills did for me. I had suffered for four years with heart trouble and nervous prostration. I was so bad I could not go upstairs, I could go to my room, I could not sleep nor could I lie on my left side, if it would seem as if my heart would stop. I thought my time had come. I was doctoring with the doctor, but didn't get any benefit. I took eight boxes of Milburn's Heart and Nerve Pills and an enjoying good health."

The surest way to stop a cold is to live the liver and cleanse the bowels. The most efficacious to do this is a 10-cent box of Cascarets. Take one or two Cascarets tonight and your cold will be gone by morning.

IN STERLING LIVES A GIRL

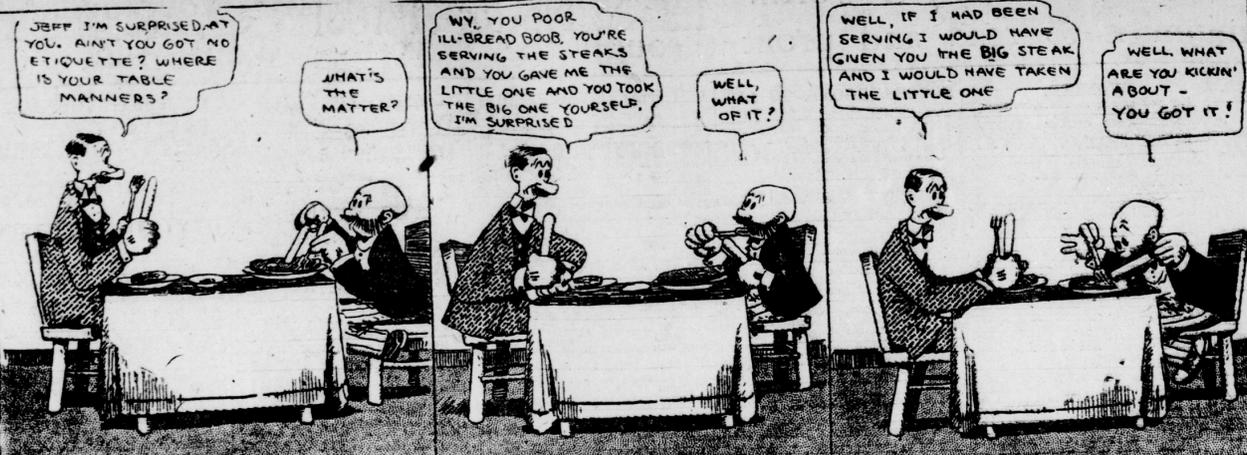

Who Suffered as Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very nervous. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Miss Bertha A. Pelquin, Box 115, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell how about my case. I was certainly in a bad condition, as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss Lavina Myers, Box 7, Massena, N. Y.

YOUNG GIRLS, HEED THIS ADVICE Girls who are troubled with painful or irregular periods, headache, nervous, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

The Viknor Believed To Have Struck Mine Off Irish Coast. LONDON, Jan. 25.—9:35 p.m.—It was officially announced at the admiralty today that the British armored vessel Viknor had been lost off Ireland with all hands. The vessel, it was stated, either struck a mine or was torpedoed. The admiralty in its statement says: "She has been missing for some days, and must not be accepted as lost with all her officers and men. The cause of her loss is uncertain, but as bodies and wreckage have been washed ashore on the north coast of Ireland, it is presumed that during the recent bad weather she either foundered, or being carried out of her course, struck a mine in sea where the Germans are known to have laid them."

WONDERFUL FOR THE BLOOD!

Cures Sallow Skin, Headache, Langour and Tiredness. You don't need to be told how you feel—blue, sore, sickish, poor appetite, vague pains, tired in the morning.
