MRS. TRUMBLE CHARGED WITH O. T. A. BREACH

Authorities Allege Illegal Sale
of Liquor At Her Home.

[Special to The Advertiser.]

WINDSOR, Aug. 9.—Mrs. Louise Trumble, widow of Beverly Trumble, who was slain by Rev. J. O. L. Spracklin, pastor of Sandwich Methodist Church, was arraigned in Sandwich police court this afternoon on charges of violating the Ontario temperance act. It is alleged by the police that Mrs. Trumble sold liquor at her home.

The charges preferred against Mrs. Trumble followed arrests of Mrs. Winship Quadras, said to be a Detroit society woman, and Albert Parker, chauffeur, for appearing on a public street in an intoxicated condition. Both were fined.

Mrs. Quadras, the police say, made statements when she sobered up in which she told of a party in home of Mrs. Trumble, where she was supplied with liquor at so much per glass.

The Detroit society leader also figured, it is said, in a letter which she wrote to a Detroit society woman, in which she told of a party in home of Mrs. Trumble, where she was supplied with liquor at so much per glass.

Heavy Decrease in Crops As
Result of July Heat.

WASHINGTON, Aug. 9.—Practically every important farm crop showed a loss in prospective production as a result of adverse conditions during July. The department of agriculture's monthly report today forecast 52,000,000 bushels less wheat than estimated a month ago; 51,000,000 bushels less corn; 12,000,000 bushels less oats; and 61,000,000 bushels less potatoes.

Today's report forecasts the production of the principal farm crops and estimates their condition on August 1st as follows:

Wheat—Production, 544,000,000 bushels; condition, 64.3 per cent.
Spring wheat—Production forecast 213,000,000 bushels; condition 66.6 per cent. of a normal.

Corn—Production of 3,032,000,000 bushels; condition, 64.3 per cent.
Oats—Production, 1,137,000,000 bushels; condition, 64.3 per cent.

Barley—Production 171,000,000 bushels; condition, 71.4 per cent.
Potatoes—Production, 12,000,000 bushels; condition, 64.3 per cent.

DUNCAN C. ROSS IS HIGHLY HONORED

West Middlesex Member Has
Been Made a King's
Counsel.

The following appeared in the last issue of the Strathroy Age-Dispatch regarding Duncan C. Ross, M.P.:

The Age-Dispatch, in common with all the citizens of West Middlesex, especially those of Strathroy, was particularly well pleased to learn of the new and signal honor conferred on one of our fellow citizens—Mr. Duncan C. Ross.

The Privy Government has seen fit to make him a K.C. or King's Counsel, this being the highest honor that comes to a member of his profession.

SPRINGBANK PICNICS

Springbank Park again proved it was the ideal picnic spot for Londoners, when nearly 150 fruit growers, market gardeners and their friends from London and district held their annual picnic on Tuesday afternoon.

The feature for the day was the ball game between the "Corn-Borers" and the "Coddling Moths," the former taking the home by a score of 12 to 9. Charlie Maker, the umpire, was promised several baskets of plums by the "Moths" (fruit growers), if the decision was given in their favor.

Another game was played between the "Raspberries" and "Cabbages," both teams being made up of the young women present. "Raspberries" won by a score of 17 to 5. The line-up followed:

Raspberry team—Miss M. Lucas, captain; E. Nelson, E. Troit, M. Sanderson, E. Davis, P. Poat, J. Kayle, S. Bycroft, A. McNeill.

Cabbage team—Miss Baker, captain; A. Maker, P. Poat, L. Weir, M. Day, S. Davis, H. Griffith, M. Boyd, M. Sanderson.

The winners in the sport events were:

Boys, under 6—J. Kirby, V. Worming, T. Nelson.

HAMILTON ROAD AND PINE LAWN HAVE TWO SEWER SYSTEMS

No. 2 Committee Recommends
Construction At Cost of
\$117,900.

Storm and sanitary sewers for the Hamilton road and Pine Lawn sections of East London, to be constructed at once, at an estimated cost of \$117,900, were recommended by No. 2 committee of the city council in session Tuesday night.

Of the total cost, \$55,900 is for sanitary sewers, while the \$32,000 remaining will cover the cost of storm sewers. This work will be done in two instalments, and will serve the new Ealing public school.

Ald. Gordon B. Drake moved that the work be recommended. "I don't see why we should spend \$200,000 on Pine Lawn, when there are miles of sewers needed elsewhere," commented Ald. Ashton.

"I don't see why we should spend \$200,000 on Pine Lawn, when there are miles of sewers needed elsewhere," commented Ald. Ashton.

NO DECISION YET IN LIQUOR CASE

Judgment Again Postponed in
Connection With Recent
Seizure.

ST. THOMAS, Aug. 9.—Again judgment has been postponed by the magistrate in the Jones liquor seizure. Permission having been given the counsel for the accused, J. M. McEvoy, K.C., London, to produce new evidence before the magistrate would deliver his findings, the original order sent to Montreal by Mr. Jones for the goods was handed to the magistrate at an adjournment of the morning and the signature was compared with the handwriting of Mr. Jones on other documents before the court.

Crown Attorney McCormick objected to the production of the order or continuing the hearing of the case, as it had been closed a week ago.

Satisfactory proof of the authenticity of the order was questioned by Mr. McCormick, and Mr. McEvoy expressed a willingness to have the paper produced substantiated by the parties at Montreal, but it would be a costly proceeding.

Magistrate Maxwell thought the presence of the man from Montreal might help matters, but he would give due consideration to Mr. McCormick's objection.

Barnes Burned.

The barn of Michael Hogan, Back street, Aldborough, was struck by lightning during the recent storm, and destroyed, and that of George Johnson was burned to the ground.

A fire, too, consumed the barn of G. Thompson, Concession 3, North Dorchester, as well as a number of sheep and calves and farming implements. The blaze was due to spontaneous combustion.

Exciting Runaway.

A team of horses belonging to Andrew Miller, Southwold, with wagon attached, broke away this morning at the corner of Curtis and East streets, and crashing into an ice cream wagon of P. Oliver, one of the horses broke his leg and had to be shot, the other being practically uninjured. The front of the ice wagon was badly cut and

ruined, and the vehicle and contents were damaged. All three horses got mixed up in a kicking and rearing heap, and for a while the surroundings looked dangerous. The boy who was in the wagon jumped. No one was hurt.

Andrew Donaldson Dies.

Andrew Donaldson, Southwold station, died yesterday at the home of his brother, after a long illness. Mrs. William Moore of London is a sister. The interment will be in McArthur Cemetery tomorrow afternoon.

Arthur E. McNabb, a former resident of St. Thomas, has purchased the building and business of the Briscoe garage, Montgomery street.

Second Cut Made In
Guelph Gas Rates

[Special to The Advertiser.]

GUELPH, Aug. 9.—It was good news to the gas users of Guelph that a further reduction of ten cents per thousand cubic feet in the price of gas was decided upon by the light and heat commission at the regular meeting today. This is the second cut in the price of gas made by the local commission this year, and follows a 15-cent reduction in May. In other words, consumers will now get gas at a rate that will compare favorably with any city of a similar size, and in the majority of cases much lower.

MRS. E. B. EDDY IS
DEAD AT OTTAWA

OTTAWA, Aug. 9.—Mrs. E. B. Eddy, widow of the late president of the E. B. Eddy, Limited, Hull, and a widely-known philanthropic worker, died this morning at her home "Dunara" on the Aymer road.

The late Mrs. Eddy was born 56 years ago at Chatham, N. B., and in 1894 married E. B. Eddy, in Halifax, N. S. She took a whole-hearted interest in the district and on his death she became a director of the concern.

Mrs. Eddy is survived by one sister and one brother, J. T. Sheriff, a day director of the E. B. Eddy Company.

Interment will be made at Chatham, N. B., although definite
