### SANK WITH ALL HANDS.

A Vessel Wrecked During a Storm and All on Board Drowned.

St. John, N. B., Aug. 29.—Captain Blinkhorn, of the schooner Bessie Walker, in from Black Point to day, told a very sad tale. On Wednesday, in company with the schooner Wave, he sailed from Apple River During the storm that night the vessels collided and drifted apart again, the Bessie going ashore on the beach at Black Point. The men drifted ashore on rafts made from the deck load, and fifteen minutes later the vessel broke to pieces The Wave struck on a reef a short distance away, and sank. All hands, including a girl named Smith, coming here on a visit, were drowned. The bodies of Capt.in Matthews, a sailor, and the girl Smith have been found on the beach. Matthews leaves a wife and family at Apple River. The Wave was owned by Spicer, of Eatonwillo

### FIRE FLASHES.

Toronto, August 29.—At 5 o'clock this morning fire broke out at the corner of Hayter and Teraulav streets, in the Cobban Manufacturing Company's establishment. A general alarm was given and the whole brigade turned out. A large stock of lookingglasses, frames and other inflammable material was destroyed. Estimated, \$10,-000 damage, chiefly stock. A Rail way Smash-up in a Tunnel. Chicago, Ill., Aug. 29.—An accident occurred to day in the tunnel under the river at Washington street. One of the West Side cable trains got stalled in the middle of the tunnel. Two others followed it closely. The third became unmanageable on the down grade, and ran upon the second train, which in turn ran into the first, and a general smash resulted. The cars of both the middle and front trains were badly wrecked, and while no one was seriously hurt, the passengers were badly shaken up. For a few minutes were scenes of the wildest Some women screamed aud fainted, while others jumped off the cars, dragging their children with them, and precipitating themselves upon the dimly-lighted tracks on which the west-bound cars run. Order was finally restored and traffic resumed.

Every Railroad Strike in Chicago Ended-The Situation on the N. Y.

New York, Aug. 29.-F. F. Donovan, one of the State Commissioners of Arbitration, called upon Mr. Webb and Superin-1,167 cars were interchanged. Chicago, Aug. 29. -At noon to-day the

switchmen recognized their mistake, and went back to work as a result of a conference between General Manager Campbell, trip to Manitoba, speaks highly of crop Grand Master Sweeney, Vice-Grand Master Downey and a committee of the strikers. The men agree to become members charged with committing rape on Mary of the Switchmen's Union, to be hereafter Ann Taylor, a domestic servant, of Deer governed by its rules and by the advice of its chief, to refrain from trying to dictate to the company in the matter of hiring or promoting men, but with the than common soap. It does right to appeal to the officers of the company for redress of grievances, the latter more than soap's work, and half agreeing to hear such complaints in a spirit of your own besides. Anything of fairness. The switchmen at the Stock Yards held a meeting during the morning. that needs cleaning can be and declared the strike off, to go into effect at one o'clock. The Lake Shore strike is virtually settled, 47 of the men ing, rubbing and scrubbing, having signed the agreement to do work as ordered. This leaves about twenty whose places are being filled. These mer will not be taken back. The road is mov ing freight without inconvenience.

#### Revolutionist General Riddled With Bullets.

City of Mexico, August 29.—A San Joe de Guatemala despatch says the port captain there and several officers to-day boarded a passing American steamer to capture the revolucionist, General Martin Barrundia. Capt. Pitts consent ed to give up the revolutionist. The officers thereupon went to Barrundia's cabin and informed him of their purpose. Barrundia opened fire with his revolver upon the party. The officers returned the fire, and Barrundia fell riddled with bultain's office.

#### The New York Brick Tie-up.

New York, Aug. 29.—The members of the Building Material Association, at a meeting held here this afternoon, reviewed the situation in the brick tie-up, and were despondent over it. One of the conclusions reached was that the present strike is one of the most disastrous which has occurred The Phosphate Trust Rumor Denied in this city for many years, embracing, as -Action for Damages in Connec- it does, almost every class of labor. Next week, if there is no change, work on all os will have ceased as by that time and Gordon have received the following the supply of brick will be exhausted. It LONDON, is feared those of the building trades who have contracts will suffer very much.
