### RUNNING SHOTS

By 'Kitty

The trimming handed the local trappers last night, to say the least, was artistic. Four rinks to win four games with a 30 point margin is sure going some.

The locals were outbowed and outplayed at every stage of the game.

A feature of the evening play was the running of Skip Swaisland. In all he had twelve running shots and he got them all but eleven.

There were some very big ends played. In fact some of them were so big that they covered two greens, and it would have taken a panorama camera to photograph them.

Among the veterans on the green last night that did not take part in the battle were Ed. Wettlaufer, T.H. Middleton, L. McBride, Gov. Cook, W.H. Lesson, H. Hagan and W.G. Cleghorn etc. Had the strategy wisdom and marksmanship of these generals of the game been thrown into the battle the result no doubt would have been less disastrous.

The Executive Committee has decided to play an all day club tourney on Monday July 1st. Those taking part will require to be on the green

at 9:30 o'clock, so that the draw can be made and play start at 10 o'clock sharp. It is expected there will be at least fifty players on hand for the days fun.

### Billy Miller Wins Championship of Alberta Province

By Defeating Scotty  
Symington

LAURELS FOR FORMER LOCAL  
BOY.

Billy Miller formerly of this city on Monday night June 10th added another scalp to his long list of boxing victories when he gained the decision over Scotty Symington the Red Deer welterweight in a fast four round affair staged in Calgary. Billy is now the undisputed welter champion of Alberta, and has accepted a challenge from Symington for a return match on July 4th.

A Calgary daily had this to say of the June 10th fight.

Symington was a game lad all the way through his bout with Miller, and he started off with speedy foot work. Miller delivered a few left jabs in the first round, but Symington evaded most of them by side stepping and drawing back. The Red Deer welterweight used his head to advantage and he also carried it around on a pair of trusty feet. Symington's ducking was a real treat and Miller stood right up to it with left and right blows.

Symington did most of the leading, but Miller was usually ready with straight lefts. They exchanged blows freely in the second. Symington scoring repeatedly to the face and Miller coming back with the same treatment. Symington carried the fighting to close range, while Miller reached out with some long jabs which were ineffective at times. The first round was

even and the second ended slightly in Miller's favor.

The third spasm opened out with Symington planting a stinging left on his opponent's face. Miller stood up well and then the Red Deer boy came back with a left jab and a right cross, while Miller slapped out a long range. Symington drew back from the blow, and escaped punishment. The round was Symington's.

Heavy Milling.  
The closing period was full of real fighting. There was not a great deal of scientific boxing, for Symington was travelling at a hard clip and he followed Miller all the time. Miller was not using the same footwork as his opponent, but he dealt out lefts which usually took Symington right on the nose. The fans thought that the decision would have been well handled at a draw, but Judges Bob Fowler and Fred Lowe awarded the honors to Miller.

Clonie Tait acted as referee.

### London Rink Wins Scotch Doubles

Free Press Trophy Stays  
in London

SECOND WIN FOR VICTORS

The London Free Press trophy the first of the Scotch Doubles tournament was won by last year's victors. Messrs. William Turnbull and James S. McDougall the London Rink Club representatives and like 1917 they met a Tillsonburg pair in the finals, but this time it was Messrs. James Vance and W.T.R. Taylor instead of Bonnie and McDonald. The Western Ontario champions, however, eliminated last year's runners-up in the semi-finals. Vance and Taylor defeated Webb and Hunt another London R.C. pair in the semi-finals and lost to McDougall by one shot in one of the best final games ever staged for the title.

End after end and bowls after bowl was weighed in brilliant, see-saw scoring and the last bowl was time by the respective skips would change the tally. The game got particularly interesting as it wore on, especially when Taylor scored a four end with but two more ends to go which put him on an even basis. McDougall however, scored two on the twentieth end and the best that Taylor could do on the last one was one.

The achievement of Turnbull and McDougall in winning a bowling trophy two years in succession makes history in the summer pastime for the group-ups, as the two veterans have never heard of it happening before to their knowledge.

The Barnard trophy the second event went to the London Elmwoods when Dr. R.D. Jarvis and F.E. Silcox, defeated Rennie and McDonald in the final by 21 to 14. This quartet of bowlers have been battling in this annual event for years. In 1916 Jarvis and Silcox won the first event when they beat Gray and Langford and the game yesterday between the same four was a repetition of 1916 in the semi-finals.

The fifth round in the Ed. Shea trophy saw the survival of two visiting pairs and two London teams. Barbour and Brown eliminated Newell and Lemon while Ashplant and Connor put Harry and Bluet into the list of also rans. The Toronto Toyal Yacht Club pair, Towell and Goforth, best Holmes and Parnell Morris while Shannon and Farrow, of Ottawa let Gray and Langford off at the last stop.

The semi-finals will be played this morning between Skips Goforth and Brown while Farrow and Connor clash in the other game.

### Waterloo Blanks Local Trundlers

Four Rinks Win With  
30 Point Margin

Casualties Were Heavy

Four divisions of Waterloo trundlers attacked on our sector last evening and were successful in routing our army. Although no prisoners were taken we lost most of the ends, every game and a ton of concept.

The trench held by Captain D. Forsyth, the veteran of a thousand games, was the only one to make a respectable stand, and had not the morale of his division been effected by the slaughter of the other local divisions, going on to the north and south of his battle area, it is probable he would have at least repulsed the enemy.

The record of the catastrophe was as follows:

From a \$60 horse to a consistent winner in handicap races is quite a jump but such has been the record of Sunfish II. When G.H. Browne bid ten guineas for Sunfish at Newmarket he had no idea of getting the horse for that amount, but did so in order to start the ball rolling.

President Farrell and the team in the New International League should forward a vote of thanks to the Leafs. Not only are the Howleys improving their own position in the race, but they are hauling the Binges down from their long lead, and thereby increasing the interest in the pennant contest.

The class of ball furnished by the New International League may not be of the highest but there is a lot of fistic talent in the league as one discovers by reading the papers lately. The poor umpires have a hard time.
