COLONIAL STOCK COMING

In offering to the Campbellton Opera House patrons Manager S. W. Dimock has great pleasure in announcing that he has secured the Colonial Stock Company for the week of May 21st. This, of course, embraces the great gala day, the 24th of May. Both Manager Dimock and Manager Harkins of the Colonial Stock Company are making special efforts to make this day one long to be remembered. During the afternoon sports will be held under the free arrangement at the Public School grounds, which will be absolutely free to every one, who cares to avail themselves of it. There will be a number of handsome prizes given to the winners as first and second in each event. In the evening the Colonial Stock Company will present that ever popular melodrama "The Two Orphans." Little need be said of this piece. It is one of the few modern pieces that has lived for two generations, of which the Colonial Stock Company are credited with giving more than an average performance. In fact, Mr. E. J. Dawson, manager of the St. John Opera House stated that it was one of the best staged pieces that he had ever seen offered to St. John. Another feature of the evening's entertainment will be the awarding of the prizes of the day. Little need be said in the way of introduction to the Colonial Stock Co., as during their last engagement at Campbellton they gave such thorough satisfaction and presented the mass of plays that makes the theatre a place of great interest. The opening bill on Monday night will be "The Two Orphans," which deals with military life in the heart of that great American desert and unravels the story that has seldom been equalled by the Dramatist. The plays for the following week will be entirely new to the Campbellton public and every indication points to full houses for the Colonial.

LONG STANDING SCIATICA

Completely Cured by One Box of Father Morrissey's No. 7 Tablets.

Sciatica is hard enough to endure, and harder still to cure, in many cases, with ordinary remedies. Caused, like rheumatism, by impurities in the blood, which in this case set up an irritation of the sciatic nerve, it is so difficult to get at with external applications that many sufferers try in vain to get relief.

Mr. Charles McEachern, of Summerside, P.E.I., was in just that position until he started to take Father Morrissey's No. 7. He writes:

"After trying several doctors and spending large sums of money without avail, I was completely cured of Sciatica of long standing after using one package of your Medicine (No. 7 for Rheumatism). No matter how long you have suffered from Sciatica or Rheumatism of joints or muscles—no matter how much medicine you have used or how long you have been afflicted with it—take Father Morrissey's No. 7 before you are almost hopeless."

50c a box at your dealer's or from Father Morrissey Medicine Co., Ltd., Chatham, N.B.
