MARILYNN AND JACK ARE WED

Miss Miller and Jack Pickford were about to leave on their honeymoon. Flo Ziegfeld to the contrary notwithstanding, Marilyn Miller and Jack Pickford are wed. It happened Sunday afternoon at the home of Doug Fairbanks and Mary Pickford in spite of all the excitement caused by the sweet nothings whispered about by Miss Miller and Billie Burke, wife of Ziegfeld. This picture was taken a bare ten minutes before Miss Miller and Jack started on a honeymoon which will be spent in California resorts.

An Honest Deal to All

WE CALLED upon one of our friends recently soliciting an order for office stationery. He immediately proceeded to give us a lecture for charging him too much for the last letter paper and envelopes we had sent him. He claimed that a Toronto house had given him as good stock and workmanship as we had, at a saving of several dollars.

The stock was good, and the printing fair. We could not understand how a firm such as this one mentioned could supply printed stationery at the figure mentioned.

Our friend produced the invoice which told the whole story. He had with the stationery purchased blank letterheads, typewriter paper and follow sheets, and in every case he had been charged from 50 cents to \$1.25 per ream more than the market price for the unprinted goods. He more than made up the difference by this dishonest practice.
