SUSSEX MINERAL SPRINGS HAVE VALUABLE PROPERTIES

Sulphur Baths May Now be Enjoyed in the Maplehurst Hotel

Because of the beneficial effects of their mineral waters to humanity, many places have become famous. From time immemorial there have been waters to bathe in that have their special virtues, and waters to drink that possess valuable health giving properties. To have mineral springs that will annually attract many thousands to partake of their benefits, is naturally a great boon to the community, especially if that community be delightfully situated, and a place of natural beauty.

It is just beginning to be generally known that the town of Sussex, N. B., has mineral springs whose waters are just as desirable as those of many health resorts that have long established fame. The Sussex Springs flow from an artesian well hundreds of feet deep. So copious is the flow that right in the heart of the town there is a bubbling fountain for public use, while the water is piped to a factory where aerated beverages are made from it, and the water also bottled in its natural state. It is also piped for some distance to the Maplehurst Hotel, where patrons may enjoy the luxury of hot and cold mineral water baths, and undergo a treatment that physicians declare to be most beneficial in cases of rheumatism or kidney affection. Prof. R. F. Hopkins, Director of Chemistry at McGill University, Montreal, who analyzed several samples of this water, declares it to be a pleasant alkaline chloride water which should become very popular. The actual alkalinity as determined, corresponds to 23.73 grains of sodium carbonate per gallon. The residue did not char when ignited, showing an absence of more than a mere trace of organic matter. The analysis proved it contained—

Soda and Potassa	.241
Lime	.004
Magnesia	traces
Iron and Alumina	traces
Sulphuric Acid	.009
Carbonic Acid	.262
Silica	.013
Chlorine	.014
Total solids at 1100 C	.543

Sussex is most delightfully situated on the line of the Canadian Government Railways, 44 miles from St. John, the centre of the most picturesque Scenic Valley which is drained by the headwaters of the lovely Kennebecas River. For the location of a large Sanatorium, of a first class hotel, no finer site could be secured, as the surroundings are beautiful and the climate most agreeable. So conveniently situated in the midst of a fine agricultural and dairying country, there is every facility for procuring the finest of fruits and garden produce and an abundance of fresh butter and eggs and cream. Its nearness to the St. John market which is so amply provided with the best of meats and fresh fish is also of great advantage. The town has a fine water supply, sewerage and electric lighting.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a 25-cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life, has a soft, silky smoothness and is fluffy and lustrous, use Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have also heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fall out, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

AILING WOMEN OF MIDDLE AGE

Mrs. Doucette Tells of her Distressing Symptoms During Change of Life and How She Found Relief.

Belleville, Nova Scotia, Can.—"Three years ago I was suffering badly with what the doctors called Change of Life. I was so bad that I had to stay in bed. Some friends told me to take Lydia E. Pinkham's Vegetable Compound and it helped me from the first. It is the only medicine I took that did help me and I recommend it. You don't know how thankful and grateful I am. I give you permission to publish what your good medicine has done for me."—Mrs. Sijon Doucette, Belleville, Yarmouth Co., Nova Scotia, Canada.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.
