The regatta of the Queen City Yacht Club under the auspices of the L.Y.R.A., which was held yesterday, was pronounced a success.

The wind was moderate from the east, light in the morning and fresher towards the afternoon.

The course was the same as the R.C.Y.C. one for 40, 45 and 50-footers, twice round for the 40, 45 and 50-footers and once for 30-footers. The 30 and 50-footers sailed over the usual Q.Y.C. course; the 45 and 40-footers sailed as one class.

The start was made at 11 a.m. The course to Mimico was a sprinter one, with spinners set to port. The Verve (Toronto) was first across the line, followed by Yama and White Wings. Then came Payne, Aggie and Condon in the order named. The Yama and White Wings soon left the rest of the fleet astern and the former rounded the mark at Mimico about half a minute to the good. On the close haul to the lake buoy White Wings closed up and passed the leader. She made the lake buoy first and kept first place on the beat in, increasing her lead until she was about five minutes in the lead. The Yama, however, closed up on the beat in to the finishing line and crossed over a minute before the Hamilton flyer. The Yama won, therefore, on time allowance, as she received over eight minutes from the Cuthbert sloop.

In the 35-foot class the Dinah had an easy time of it and finished first by half an hour, with Alert second and Cypress third.

The 30-foot class had an exciting race, but Mr. Jarvis' yacht Samos, which was well in the lead, unfortunately crossed the line leaving the buoy to the starboard instead of the port hand and was disqualified. The Yama won, therefore, on time allowance, as she received over eight minutes from the Cuthbert sloop.

The 25-footers had one of the best races of the day. The Kelpie got across first, but soon relinquished her lead. Made won easily with Hilda second and Nellie G. third.

The Kathleen won in the 21-foot class. The Vision was runner-up and found too large for the 25-footers.
