Montreal, April 21.—The lacrosse delegates left for home to-night. It is the general opinion here that there will be a four club league. This must be the outcome if Ottswa and Capitals do not unite. This they will scarcely do. So they will both be out of it. A new schedule for Cornwall, Toronto and the two local clubs will soon be arranged.

There will be foil exhibitions and fencing galore. These foil artists will appear: Messrs, Prof. Malchiem, Bruce Brough, James Hay, T. Capp, A. Shaw, A. D. Cartwright, W. J. Somerville, E. The annual general meeting of the club took place Thursday. The following officers for the current year were elected:

The honorary president, Mr. J. P. Edwards, who was elected unanimously, read his report, setting forth the work of organisation and the general affairs of the club, after which Mr. J. H. Newland is justly entitled to be rated as one of the speediest long-distance men in the world, and if Bates can romp away from him at this stage of the game and can not claim a title to unusual speed by reason of any past performance it naturally falls out that it was the wheel and not the man who worked this wonder.

"The Park Nine Baseball Club will not play ball this coming Saturday. Therefore any notice of a game played by them appearing in Monday's papers can be accepted as false.

"For the past two weeks some individual has been sending reports of imaginary games played by teams of the Toronto League, in which reports the league teams have suffered defeat. This humorously inclined person will perhaps make the Park Nine suffer an unconscious reverse on Saturday, and therefore it is the intention of forewarning administration of forewarning administration of forewarning administration of the Nationalis' defeat by the Fenians, which appeared in one or two contemporaries. This was about its sixth effort. Now, this fakir may consider, himself funny. But he is not. He is a baseball rascal. His little freak was simply forgery in a mild form. He is being tracked, and if located in remaining a pounds to carry will be hard to beat in the brooklyn.
