Women, Prepare!

Thousands of women in Canada have overcome their sufferings, and have been cured of woman's ills by Dr. Pierce's Favorite Prescription. This temperance medicine, though started nearly half a century ago, sells most widely to-day. It can now be had in tablet form as well as liquid, and every woman who suffers from backache, headache, nervousness, should take this "Prescription" of Dr. Pierce's. It is prepared from nature's roots and herbs and does not contain a particle of alcohol or any narcotic. It's not a secret prescription for its ingredients are printed on wrapper. Send 10c for trial package to Dr. V. M. Pierce, Surgical Institute, Buffalo, N. Y., or Bridgeburg, Ont.

Hamilton, Ont.—"When I reached the critical period I was a nervous wreck and suffered with hot flashes and dizzy spells. 'Favorite Prescription' relieved me of all these ailments and brought me through this trying time safely. For women of middle age there is no tonic equal to Dr. Pierce's Favorite Prescription, and I never hesitate to recommend it to my friends."—Mrs. ANNIE SOULES, 41 Hess St. N.

Stratford, Ont.—"I was greatly benefited by taking Dr. Pierce's Favorite Prescription; it was before twins came. I had become all run-down, was nauseated, very nervous and weak, and suffered with backache. Was not able to do anything for three months, when I began taking 'Favorite Prescription.' It soon gave me relief and it was not long when I was strong and healthy. 'Favorite Prescription' was surely a great help to me and I am glad to recommend it."—Mrs. L. J. MANTLE, 61 Kent Lane.

COMPREHEND IF THEY WISH

Foreigners Reluctant to Admit Knowledge of English, but Understand When it is Advisable.

Many of the foreigners are extremely bashful about admitting their ability to speak and understand English, when there is work to be done, according to the officers, observes the Boston Herald. On the other hand, if they desire a pass or any similar official boon, their comprehension becomes exceedingly acute. On one occasion, a captain announced:

"Kabbble, you are on fatigue duty; you will sweep the mess hall and the office."

"No spik English," murmured the conscript, with a blank look at his superior.

"Hm—wait a minute."

The officer whispered to one of the sergeants.

"Sure, he understands all right," the latter affirmed.

The captain returned to the still uncomprehending Kabbble.

"Look here, if you don't sweep this mess hall quickly, you'll lose your pass for the next month. Do you understand that?"

"All right; where the broom?" the private replied with astonishing facility.

WOMAN LOVED HER CANARY

Matron Charged Brother With Theft of Bird and He Narrowly Escaped Being Sent to Prison.

Mrs. James Farmer was the complainant against her brother, George Clark, in special sessions recently, writes a New York correspondent. She lives at 302 West Fifty-ninth street, in excellent style, and on the witness stand was fashionably dressed and cultured.

"My brother called with a friend," she said, "and stole my pet canary—the best one of the thirteen I keep, and the sweetest singer you ever heard."

"Do you want me to send your own brother to the penitentiary?" asked Justice Bixby.

"Well, he is in bad health," she replied hesitatingly; "he's had chills and fever for a long time; but—"

"But you think more of the bird than you do of your brother?" suggested the justice.

"Well, your honor," said the lady half-reproachfully, "this canary was a special pet."

The brother escaped, however, through a technical error in the complaint.

WRETCHED FROM ASTHMA. Strength of body and vigor of mind are inevitably impaired by the visitations of asthma. Who can live under a cloud of recurring attacks and keep body and mind at their full efficiency? Dr. J. D. Kellogg's Asthma Remedy dissipates the cloud by removing the cause. It does relieve. It does restore to normal bodily trim and mental happiness.

Gas May Help Win War.

Our illuminating gas plants may win the war for us, according to the American Chemical society. These experts say that the only way of quickly increasing the available supply of toluol is to extract it from the nation's gas. Toluol is the basis of trinitrotoluol, the famous British high explosive T. N. T. The production in this country is confined largely to by-product coke ovens and the entire present output is contracted for. However, by quick and energetic action we can secure an immense supplementary supply of this vitally necessary substance by treating illuminating gas without affecting the quality of the gas appreciably.

Saving Tea for Soldiers.

In England tea has advanced in price to such an extent and it is at the same time so necessary an accessory of diet in the army that it is considered an act of patriotic economy to drink cafe au lait for breakfast instead of the usual cup of tea, notes a London correspondent. Of course, any coffee that is diluted with milk is cafe au lait, but the term is usually applied to the beverage as the French take it for breakfast. That is a mixture of clear coffee infusion to which is added a liberal amount of hot milk.

A Wise Fish.

"I wonder why this goldfish never grows any."

"The intelligent little creature knows there would be no room for him in that small globe."

Had a Good Stare.

Maude—Let's start a secret society! Alice—All right; I heard a lot of secrets at the bridge club this afternoon!—The Lamb.
