

"TWIN

"BROS."

IMPROVED DRY HOP YEAST.

The "TWIN BROTHERS," after many years successful business in the Dominion, are desirous of expressing their sincere thanks to their customers and the public for past favors.

They refer with pride to the unexampled preference shown for their Yeast. During the last few years Canada has been inundated with various brands of so-called yeast, amongst which we may enumerate:

Mrs. Churchill's Yeast,
The Diamond Yeast,
The Dominion Yeast,
The Star Yeast, &c.

Dead and Buried

THROUGH THE

ACKNOWLEDGED SUPERIORITY

OF THE

Twin Bros' Yeast

All these worthless Trade Marks are now bankrupt and their offspring out of the Market; the superior qualities of the "Twin Brothers" Yeast having completely killed them. The Country knows them no more. The little remaining on store-keeper's hands is so much rubbish, and we warn all against it.

Our Agents are now going through the country, taking up Old Stock, and replacing it with "Twin Brothers" Latest Improvement. The Yeast we are now placing in the Market is warranted to be, without exception, **THE BEST ARTICLE EVER INTRODUCED** to the public, and makes the **SWEETEST and LIGHTEST BREAD** ever known.

For sixteen years the "Twin Brothers" Dry Hop Yeast has enjoyed the confidence of the Trade, and to-day stands without a rival. It is the only article that has commanded such universal satisfaction, and has a world-wide reputation.

At the late World's Fair in Vienna it received the Gold Medal and honorable mention from the Committee.

We ask everyone to give it a fair trial, feeling assured that when once properly used, no household will be without it.

Ask your Grocer for it and see that he gives it to you FRESH.
