I would take this opportunity to assure all in want of eggs from superior stock, to introduce new blood that will sure'y improve their stock and also those who are about to start new in the breeding of fancy poultry, that my stock stands second to none on this continent.

Having mated for this season's breeding 8 pens of choice bred well marked birds, many of them prize-winners of large size, vigorous constitutions, and extraordinary laying qualities, the chicks hatched from eggs sent from my yards cannot fail to please all.

TESTIMONIALS.

S. W. GUTHRIE, Homer City Pa.—Your cuts of Wyandotte, Langshans, and Plymouth Rocks are fine, will get away with them all.

W. D. RICHARDS, McLeansboro, Ills.—My Portrait is excellent you beat them all.

DR. C. A. ROBINSON, Norristown, Ind.—The cut of Plymouth Rock is the best I have ever seen. Every one agrees with me on the excellence of your work.

FAIR AND SQUARE DEALING.

Believing that if a man has dealt squarely with his fellow-men his patrons are his best advertisers, I invite all to make inquiry of the character of my seeds among over a million of Farmers, Gardeners and Planters who have used them during the past thirty years. Raising a large portion of the seed sold, (few seedsmen raise the seed they sell) I was the first seedsmen in the United States to warrant (as per catalogue) their purity and freshness. My new Vegetable and Flower Seed Catalogue for 1886 will be sent FREE to all who write for it. Among an immense variety, my friends will find in it (and in none other) a new drumhead cabbage, just about as early as Henderson's, but nearly twice as large! James J. H. Gregory, Marblehead, Mass.
