REMARKS.—The Committee of Judges to whom was referred the entries of Class VI.—"Durham Cattle," beg leave to report, that they have gone through with the divisions of the class, and award the premiums as stated above. In many cases the competition was so close that they might well doubt the propriety of their awards, but they think it is a high compliment to the breeders, that they have arrived at so high a standard of perfection. The ring of cows was such as challenged the admiration of the Committee, and could hardly be paralleled in any country, certainly not excelled.
