## Mary.

NAME of sweetness and of mercy,  
"Oil poured out," and mystic balm!  
Name of pure and star-like radiance,  
Reflect soft of Christ the Lamb!  
Poets oft have sung thy praises,  
Maiden-mother "full of grace,"  
Artist hands delineated,  
Gracefully thy lovely face.  
Yet, how many hidden beauties  
Shine, unseen, to us, in thee;  
May we see them all sweet Mary  
In God's bright eternity.

— INFANT DE MARIE.

## Inspiration.

O, those gentle eyes of Mary,  
Well we know her heart's pure love  
Gleams like star light through those glances,  
From her radiant throne above.
