THE SOLDIER'S CONSOLATION

One of our Soldier-heroes was struck down by the enemy; he believed himself mortally wounded. To his amazement his life was spared; in telling the story afterwards he said; "My last thought before losing consciousness was—'what a satisfaction that I insured my life.'" Life Insurance certainly does give peace of mind to the husband and father—at least as far as his family is concerned. Many are racked with anxiety in their days of illness lest a fatal termination should leave the family without protection.
