This sumptuous volume, with its 65 splendid illustrations (many of them on the finest plate paper), its clear, beautiful print and striking cover, appears most opportunely at the opening of the Christmas season. Thoroughly Canadian from cover to cover, and of thrilling interest, it will make a grand Christmas gift. Tossed in the angry rapids, capsized, attacked by wolves, tormented by mosquitos and black flies, encountering fierce polar bears, imperilled by furious gales, all night in canoes in the open sea, battling with the shore-ice, benumbed by cold, starving, exhausted and almost in despair, the band of brave Canadians fought their way down the exposed coast of Hudson Bay to Fort Churchill. Here in this volume is a full, clear recital, modestly told withal by our Canadian Nansen, of this remarkable journey. Don't fail to get a copy for yourself and one for your particular friend.
