GEO. P. ROWELL & CO.'S
SELECT LIST OF LOCAL NEWSPAPERS

An advertiser who spends upwards of \$5,000 a year,
and who invested less than \$350 of it in this List, writes:
Your Select Local List paid me better last year THAN
ALL THE OTHER ADVERTISING I DID

It is not a Co-operative List.
It is not a Cheap List.
It is an Honest List.

The catalogue states exactly what the papers are.
When the name of a paper is printed in FULL FACE
TYPE it is in every instance the BEST. When printed
in CAPITALS it is the ONLY paper in the place. The
list gives the population of every town and the circulation
of every paper.

The rates charged for advertising are barely one-fifth
the publishers' schedule. The price for single States
ranges from \$2 to \$20. The price for one inch for one
month in the entire list is \$625. The regular rates of the
papers for the same space and time are \$2,980.74. The
list includes 952 newspapers, of which 187 are issued daily
and 765 weekly. They are located in 788 different cities
and towns, of which 26 are State Capitals, 303 places of
over 5,000 population, and 468 County Seats. For copy
of List, and other information, address
