THE congregation of St. Elmo have decided to erect a new manse.

THE Elmvale congregation contemplates building a new church.

THE congregation at Burgoyne have decided to introduce an organ.

THE pulpit of Zion church, Brantford, was occupied Sabbath, 3rd inst., by Rev. W. G. Wallace, of Toronto.

A VERY successful entertainment, given by the Ladies' Aid of St. Andrew's, Almonte, was held last week.

THE anniversary services of Caven church, Winthrop, were conducted by Rev. Geo. Chrystal, of Avonion.

REV. JOHN ROSS, B.A., delivered his lecture on John Bunyan in Melville church, Brussels, to a large audience.

THE Rev. M. C. Cameron, B.D., of Knox church, Harrison, has just received an invitation from a church in Columbus, N.S., at a salary of \$1,600 per year.

MRS. MCCLINTOCK, wife of Rev. J. W. McClintock, of Mandamin, while attending on the 13th inst., a marriage ceremony with her husband, suddenly died of apoplexy.

THE Welland congregation have decided to proceed with the erection of a new church building, the canvass for subscriptions to the building fund having been very satisfactory.

REV. JOHN SOMERVILLE, M.A., pastor of Division street Church, Owen Sound, has been delivering with much acceptance in St. Vincent and other places, his lecture: "A Visit to St. Peter's at Rome."

MISS M. A. EADIE was recently waited upon at the manse, Pinkerton, by a number of the congregation, and presented with an address and a gold watch, as a token of the esteem in which she is held in the community.

THE sermons in connection with the anniversary services, Barrie, were preached Sabbath, 3rd inst., by Rev. Prof. MacLaren, of Knox College. A local paper says: "The Professor's Calvinism was very clearly marked in his discourses."

ON March 1st a deputation from the congregation of Chesterfield waited upon Mr. Lamberton and presented her with a handsome and costly silver tea service, as a token of their high appreciation of her excellent services as leader of the choir.

ON the eve of his leaving for Stratroy, Mr. Thomas Turnbull, who has long been closely identified with the choir and Sabbath-school of Knox church, Galt, was presented by members of the choir and S.S. teachers with a writing desk and gold pencil case.

THE annual meeting of the Stratford Presbyterian W.P.M.S., was held in Listowel on the 15th of January. The Secretary's report showed that there were twenty-one Auxiliaries and one Mission Band, with a total membership of 400. The sum of \$870 was realized during the year.

REV. L. C. ENES, of Knox College, has very acceptably filled the pulpits of Flesherton and Markdale Presbyterian churches for three Sabbaths. Mr. Enes has accepted the invitation of above congregations to become their pastor. Stipend offered \$800 and manse with one month's holiday.

A NUMBER of the congregation of Balsover, Lindsay Presbytery, recently waited on the Rev. L. Perrin, and Mrs. Perrin, at the manse, and presented them with a purse of money and a number of beautiful gifts, accompanied by an address, expressive of regret at the severance of the pastoral tie.

THE new East church, Oak street, city, Rev. J. M. Cameron, pastor, it is expected, will be opened for divine service, Sabbath, March 31st. Rev. W. T. McMullen, of Woodstock, Moderator of the General Assembly, will preach morning and evening. The new church, which is a very handsome building, is capable of seating 1,100 persons.

THE Wexford correspondent of the Markham Economist supplies the following item of news to that journal:—"The Zion Presbyterian church, of this place, held its first tea-meeting on Monday, Feb. 24th. After partaking of a first-class supper, the chair was taken by G. B. Smith, Esq., M.P.P., who gave a short address. Speeches were delivered by the Rev. Mr. Macdonald, pastor of the church, the Rev. Mr. Johnston, of York, and the Rev. Mr. McKellar, of Manitoba. The singing by the St. Andrew's church choir, of Scarborough, I venture to say, cannot be beaten in the county of York. Proceeds, \$141."

INTERESTING and delightful services were held at the North street Presbyterian church, Tempo, county Middlesex, on the first Sabbath of March and the two following evenings. Rev. R. Hunter Craig, pastor, preached Sabbath morning and evening, to large congregations. On Monday evening the annual tea-meeting was held, at which Mr. Craig presided. Able and highly practical addresses were delivered by Rev. Mr. Brown (Methodist), of Lambeth, Mr. Sawers, of West-laster, and Mr. Henderson, of Hyde Park. The Baker choir, of Delaware, kindly gave their efficient and highly appreciated services, by selecting most excellent and strikingly appropriate music. On Tuesday evening there was a social for the Sabbath-school. The proceeds in all amounted to a good sum. This little church, not long connected with us, is in a prosperous condition.

ELLIOTT & SON are gratified to be able to state that their last season's trade was the most satisfactory in the thirty years' existence of the firm. They attribute the popularity of their efforts to a careful judgment on their part in the selection of designs and artistic taste in their arrangement. With the advantage of a very large decorating business, they are enabled to judge of the effect of various styles of design and colour, and to use the same invaluable experience in the choosing of all their materials, from the cheapest to the most costly. They have pleasure in announcing below some of the leading lines for the coming season:

WALL PAPERS. The unrivalled productions of Messrs. Jeffrey & Co., of London, England, were one of the chief attractions at the Art and Crafts Exhibition, lately held in London. The Victorian series of wall papers made by this firm, and designed by Lewis F. Day, Walter Crane, J. D. Sedding, and others, are well represented in our stock. All other lines made by this firm, from 12 cents per roll upwards, are in the most perfect taste, and show the selection of really artistic designs, at prices usually paid for commonplace designs. We are sole importers of Messrs. Jeffrey & Co.'s productions. We will also show a beautiful line of Liberty's wall papers, designed and coloured especially to harmonize with their celebrated silk and hangings. These papers are not at all expensive and will undoubtedly find a large sale. We have, beyond question, the largest stock in Canada of Japanese and French Leather and Relief Papers, among which are to be found some of the most delightful conceptions in decorative art. Our importations of Japanese leathers direct, from British Columbia, will embrace the productions of three establishments, including the Government factory.

AMERICAN PAPERS. We have made a careful selection of designs by the best American manufacturers only, the continued cutting in price having caused deterioration in quality in many lines.

WASHABLE SANITARIES. Have always formed an important feature in our stock, and, encouraged by past success, we have greatly enlarged our range of designs for the coming season. Prices at from 20 cents per roll upwards.

LINGRUSTA WALTON. Continue to hold the lead as a practical relief wall decoration, and is shown in a number of new designs. Our stock consists of both English and American makes, and is always very complete.

ROOM MOULDINGS. A range of special designs in all sizes of American mouldings at low prices. Every design sold exclusively by us. Specialties in picture hooks.

STAINED GLASS. Our last season's work in this beautiful art showed a complete appreciation of the capabilities of all the new forms in which glass is now made. We will introduce some very novel effects during the year in the use of opalescent glasses for domestic work.

PARKETRY FLOORING. We sell the best American made this wood flooring and wood carpet, and quote either to supply or lay and finish complete in borders and all over floors. Specimen floors laid in our show rooms.

HAND-PAINTED TILES. Painted in our establishment and made to any style of design required.

RELIEF MATERIALS. The tendency of high class interior decoration at the present time is in the direction of effects in relief. We are the only firm in Canada executing combed and arabesque work artistically, and carrying a full stock of relief ornaments for all purposes. Our range of designs in Paper Stucco for cornices, centres, friezes, mouldings, etc., is immense, and as we import direct, we are selling much below the price of any goods brought to this country from the United States. We also show a matchless line of original Relief Friezes, modelled in our own atelier, and capable of suitable decoration.

Ayer's Cherry Pectoral, which I used (moderately and in small doses) at the first recurrence of a cold of any kind, and from which I invariably found relief. This was over 25 years ago. With all sorts of exposure, in all sorts of climates, I have never, to this day, had any cold nor any affection of the throat or lungs which did not yield to AYER'S CHERRY PECTORAL within 24 hours.

Of course I have never allowed myself to be without this remedy in all my voyages and travels. Under my own observation, it has given relief to vast numbers of persons, while in acute cases of pulmonary inflammation, such as croup and diphtheria in children, life has been preserved through its effects. I recommend its use in light but frequent doses. Properly administered, in accordance with your directions, it is

A Priceless Blessing in any house. I speak earnestly because I feel earnestly. I have known many cases of apparently confirmed bronchitis and cough, with loss of voice, particularly among clergymen and other public speakers, perfectly cured by this medicine. Faithfully yours, C. EDWARDS LESTER.
