**Havergal Hall**

250 JARVIS ST., TORONTO

OPENED SEPTEMBER, 1894.

The board having determined to make this School equal to the best Ladies' School in England, was most fortunate in procuring as Lady Principal Miss Knox, who has taken a full course in the University of Oxford, passing the final examinations in the two Honor Schools of Modern History and English. Miss Knox, until she came to Havergal Hall, held an important position in "Chesham," one of the largest and best appointed Ladies' Colleges in England.

The Board has determined to have a staff of assistants fully competent to sustain the Lady Principal in her work. Mr. H. M. Field, late pupil of Martin Krause, of the Royal Conservatory of Music, Leipzig, is the head of the Musical Department. Mr. E. Wyley Crier, R.C.A., the well known Painter, is head of the Art Department.

The School is open for both day pupils and boarders. Full information may be obtained by circulars on application to Havergal Hall, or to J. E. Bryant Barrar, 20 Bay St., Toronto.

**Apply the Test :**

Storekeepers shrewdly sell at about the same prices all articles and stuffs easily recognizable in other stores. But that's no judge of values. Goods advertised elsewhere at "a great bargain" are selling for more than we ask right along for the same quality.

**New Millinery :**

French and English elegancies—be-winged, be-feathered, be-jetted be-ribboned, and with glimpses of leaves and flowers. Mostly at less than their equals could be bought for in Paris or London. If you've ever bought—or priced—imported Hats you'll be astonished at the qualities in

Newest styles at lower prices than ever, and they were handsomely below the market before.

**About Shoes :**

Sneers are not facts, innuendo is not evidence, insinuation is irresponsible. These things are borne in mind by careful readers—especially of Shoe advertisements. They call for high criticism.

Our Shoe statements are as clean cut as our Shoes, as solid as the soles of our Shoes. They are square truth. People know and believe them. That's why we sell so many Shoes.

Small or broken lots of Shoes we never advertise, either as regulars or as bargains. When we have them they go without advertising in the regular course of sales. The papers only get big lots that are worthy. Remember that.
