

ROYAL BAKING POWDER Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds and cannot be sold in competition with the multitude of low test, short weight adulterated phosphated powders. Sold only in cans. ROYAL BAKING POWDER CO., 105 Wall Street, N.Y.

ST. LAURENT COLLEGE,
Near Montreal.
(Affiliated to Laval University, Quebec.)

Fathers of the Holy Cross.

The only complete classical course in Lower Canada, taught through the medium of the English Language.

The commercial course is also thorough. Classes will be resumed September 1. For further particulars call on Rev. E. Meehan, C.S.C., 113 East Twelfth Street, near Fourth Avenue, New York, or address REV. G. A. DION, C.S.C., President.

SECURE STRONG HARD TEETH FOR BABY.

BUT FOR THE YEARS TO COME NOT FOR SUMMER ONLY,

Not only in the hot summer months is NESTLE'S MILK FOOD pronounced by medical men as the safest diet to prevent cholera infantum, but its history of 20 years' use in every quarter of the globe demonstrates that children fed on NESTLE'S MILK FOOD are noted for firm flesh and muscle, and also for strong, hard teeth; this last quality is deserving of note in this country.

NESTLE'S FOOD has attained its present enormous consumption through the influence of the medical profession. Sample and pamphlet sent on application to

Thos. Leeming & Co., Agents, Montreal.

June 26, 1888.
Messrs. JAMES GOOD & Co.:
Gentlemen,—I have great pleasure in recommending
St. Leon Water,

having used it as occasion
sion required since its in-
troduction in Toronto.

When weary and tired
with trying exercises and
prolonged hours of pastoral
duty, I always find St.
Leon very soothing and
refreshing.

I firmly believe St. Leon
possesses all the virtues to
purify and build up the
system attributed to it by
so many of our expert
scientists.

Very Rev.
J. M. LAURENT,
Administrator, Bishop's Palace.

NOTICE TO IRON BRIDGE BUILDERS.

SEALED TENDERS, addressed to the under-
signed, and endorsed "Tender for Chaudiere
Bridge," will be received at this office until Fri-
day, the 6th day of October next, for replacing
the present roadway of the Suspension Bridge
across the Ottawa, at the City of Ottawa, with
an IRON TRUSS BRIDGE, in accordance with a
specification incorporated in and forming part
of a form of tender, a copy of which, together
with a plan of the present structure, will be
supplied to the Chief Engineer.

Tenders must be accompanied by plans,
specification and strain sheets of the structure
proposed to be constructed, and also a descrip-
tion in detail of the mode or manner in which
it is to be erected and put in place, so no inter-
ference with the present bridge or the traffic
across the same will be permitted, except as
stated in the specification; and they—those ten-
ders—will not be considered unless made on the
forms supplied, and signed with the actual sig-
natures of the tenderers.

An accepted bank cheque, payable to the
order of the Minister of Public Works, equal to
five per cent. of amount of tender, must ac-
company each tender. This cheque will be for-
feited if the party declining the contract or fail to
complete the work contracted for, and will be
returned in case of non-acceptance of tender.

The Department does not bind itself to ac-
cept the lowest or any tender.

By order,
A. GOBEL,
Secretary.

Department of Public Works,
Ottawa, 10th September, 1888.
