

THIRTY YEARS' EXPERIENCE OF AN OLD NURSE.

Mrs. WINDSOR'S Sore Throat Syrup is the prescription of one of the best Female Physicians and Nurses in the United States, and has been for thirty years with never-failing safety and success by millions of mothers and children, from the feeble infant of one week old to the adult. It corrects acidity of the stomach, relieves wind colic, regulates the bowels, and gives rest, health, and comfort to mother and child. We believe it the best and surest remedy in the World, in all cases of DYSPEPSIA and DIARRHOEA, and gives rest, health, and comfort to mother and child. Full directions for using will accompany each bottle. None genuine unless the facsimile of CURTIS & PERKINS is on the outside wrapper. Sold by all Medicine Dealers. 25 cents a bottle. Office, 48 Bay Street, New York; and 205 High Holborn, London.

March, 1866.

SORE THROAT, COUGH, COLD, and similar troubles, if suffered to progress, result in serious Pulmonary, Bronchial, and Asthmatic affections oftentimes incurable.

BROWN'S BRONCHIAL TROCHES are compounded so as to reach directly the seat of the disease and give almost instant relief.

The Troches are offered with the fullest confidence in their efficacy; they have been thoroughly tested, and maintain the good reputation they have justly acquired. For Public Speakers, Singers, Military Officers and those who over tax the voice, they are useful in relieving an Irritated Throat, and will render articulation easy. To the soldier exposed to sudden changes in the weather they will give prompt relief in Coughs and Colds, and can be carried in the pocket to be taken as occasion requires.

Sold by all Druggists. 25 cents a box.

IMPERISHABLE FRAGRANCE.—As among the opes of the great composers there are some which the public taste instinctively prefers, so among perfumes there are grades of excellence from which the world chooses the rarest and the best. In the United States, the West Indies, Canada, South and Central America, etc., this choice has long since been made. **MURRAY & LANMAN'S FLORIDA WATER** has no rival among the perfumes of the Western Hemisphere. "The once celebrated European toilet waters are scarcely salable in any market where this refreshing, healthful, delicious, and almost indestructible perfume is procurable. Besides its unrivalled merits as a floral fumigant, it is, when intermixed with water, a fine preservative dentifrice." Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 89 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine.

Agents for Montreal:—Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all Dealers in Medicine.

Good for Hoarses.—Mr. Morrison, agent of the Phila. Lightning Rod Co. having occasion to employ a great number of hoarses, found Henry's Vermont Liniment superior to any gargling oil he had ever used. It was not originally intended to be used. It was not originally intended to be used in this way, but was designed for the pains and aches to which human flesh is heir. It cures toothache, headache, neuralgia, and the pains and diseases of the bowels. It is a purely vegetable medicine, and no harm can result from the use of it.

BETWEEN HEALTH AND THE GRAVE there is but a thin partition, and all who value life are willing, it is presumed, to do their best to prevent disease from breaking it down. Who so mad as to wait the final attack, when the first onset can be repelled with **BRISTOL'S SUGAR-COATED PILLS**, a preparation so genial and balsamic, so searching, yet so invigorating, that while it fights down the complaint, and expels its cause, it also builds up the strength and braces the constitution of the patient. Composed of antibilious and cathartic vegetable ingredients, at once safe and searching, it is the only cure for disorders of the stomach, the liver, and the bowels, which can be relied upon under all circumstances, and in all climates. The idea of pain is justly associated with ordinary purgatives; but **BRISTOL'S SUGAR-COATED PILLS** do not create even an uneasy sensation, either in the stomach or the alimentary passages. Need it be said that they are the best household cathartic and alterative at present known?

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, **BRISTOL'S SARSAPARILLA** should be used in connection with the Pills.

J. F. Henry & Co. Montreal, General agents for Canada. For sale in Montreal by Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all dealers in Medicine.

CHRONIC ERUPTIONS, from whatever cause arising, are the most obstinate of external maladies. The greatest believers in mercury admit that it cannot control them. The iodide and biniodide of that mineral, as well as corrosive sublimate, all heretofore given for scrofulous and syphilitic eruptions and diseases, have been abandoned, and in all parts of this continent physicians are curing the most confirmed and virulent chronic eruptions on the skin with **BRISTOL'S SARSAPARILLA**, which acts chemically upon the blood and disintegrates it. The use of **BRISTOL'S VEGETABLE PILLS** at the same time with the **Sarsaparilla** will greatly facilitate the removal of all eruptions, pimples, blotches, etc., as they carry off from the system the vitiated matter set free by the **Sarsaparilla**.

"DIDN'T YOU HEAR THE SLOGAN?"—When the last lingering ray of light seems gone, and some, almost impossible, though long wished for event transpires that brings back both hope and life, it is a circumstance not easily forgotten. Not more joyful was the sound of the slogan to the ears of the Scotch girl, Jessie at Lucknow than the assurance to a sick and dying man that you have a medicine that will cure him. Down's Balm has caused many a heart to feel glad by restoring the sick to health when all other medicines had proved worthless. See advertisement in another column.

and the Rt. Rev. Bishops of all the dioceses to which we have been able to extend it. A work like the 'Ecclesiastical Year,' for which

HIS HOLINESS, POPE PIUS IX.

has lately awarded the great St. Peter's medal to the author, Rev. B. G. Bayerle, undoubtedly deserves the most extensive circulation. It consists of 30 parts or 2 volumes, is now complete, and can be had of all Booksellers, Agents and News-carriers throughout the United States and Canada, in single parts or complete volumes, bound or unbound, with or without premiums. The style of binding is most elegant, the covers being ornamented with religious emblems in rich gold stamping. Two different editions are issued, so as to bring it within the reach of all:

1. **PREMIUM EDITION**, 25 cents per number.

Each subscriber will receive two premiums (on the additional payment of 25 cts. each), viz:

With No. 15, "SANCTISSIMA VIRGO," (THE HOLY VIRGIN.)

With No. 30, "ASSENSIO DOMINI," (ASCENSION OF CHRIST.)

These splendid engravings, on account of their excellent execution, and being copies of original oil-paintings by eminent masters, are of far greater value than the small steel-engravings subscribers mostly receive with similar publications. Being 22 inches wide and 28 inches high, they will be an ornament to any parlor. The Holy Virgin as well as the Son of God are in full figure elegantly colored upon a black ground which printed symbolical border. The retail price of each engraving is \$2.00. These premiums, therefore, almost equal the price of the whole work. Notwithstanding we only demand an additional payment of 25 cts. for each picture, for the purpose of paying importation-expenses.

11. **CHEAP EDITION**, 20 cents per number.

The only difference between this and the Premium Edition is that with it no Premium Pictures are furnished.

The price of the complete work, containing 1456 pages of reading matter, largest Encyclop. 8vo. in the best style of typography, free of postage, is as follows:

WEST TROY BELL FOUNDRY.

[Established in 1826.]

THE Subscribers manufacture and have constantly for sale at their old established Foundry, their superior Bells for Churches, Academies, Factories, Steamboats, Locomotives, Plantations, &c., mounted in the most approved and substantial manner with their new Patented Yoke and other improved Mountings, and warranted in every particular. For information in regard to Keys, Dimensions, Mountings, Warranted, &c., send for a circular. Address

R. A. & G. R. MENEELY, West Troy, N. Y.

THE New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hit the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"... I owe much to you, for I verily believe the Plantation Bitters have saved my life."

REV. W. H. WAGGONER, Madrid, N. Y.

"... Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use."
