The attractive features and popular plans of this well-known Company present many inducements to intending insurers peculiar to itself. Its Policies are the most liberal now offered to the public; after three years they are Non-forfeitable, Incontestable and free from all limitation as to Residence, Travel, Suicide or Occupation, Military and Naval Service excepted. Its plans are varied and adapted to all circumstances. There is nothing in Life Insurance which it does not furnish cheaply, promptly and intelligibly. Send to the Company's Home Office, Portland, Maine, or any of its agents for publications describing its Main Law Convertible Policy, Class A., or its 7 per cent. Guaranteed Bond Policy, Class A., and other forms of Bond Policies; also for pamphlet explanatory of the Maine Non-forfeiture Law, and for list of claims paid thereunder. Total payments to Policy-Holders and their Beneficiaries, more than \$23,000,000.00. Good Territory still open for active and experienced agents.

Our Policy is a straight promise to pay—like a bank draft, almost unconditional. No restriction on travel or occupation. Is nonforfeitable after two or three years—even for failure to pay renewals. Remains in full force till the value is exhausted. It provides a legacy certain, instead of a law suit possible. There are Three classes—Abstainers, General and Women—giving each in profits the true benefit of its own longevity. RATES compare favorably with any in the world. Choice of all sound plans of assurance offered, no other. Agents Wanted. Apply now.

Company in 1888 exceeded \$103,000,000.

made by any Company during the past
year including:

A gain in assets of	\$ 7,275,301 68
A gain in income of	3,096,010 06
A gain in new premiums of	2,333,406 00
A gain in surplus of	1,645,623 11
A gain in new business of	33,756,792 85
A gain of risks in force	54,496,351 85

THE MUTUAL LIFE INSURANCE CO.Has Paid to Policy-holders since
Organization \$272,481,839.82.

The wonderful growth of the Company is due in a large degree to the freedom from restriction and irksome conditions in the contract, and to the opportunities for investment which are offered in addition to indemnity in case of death.

The Mutual Life was the first to practically undertake the simplification of the insurance contract, and strip it of a verbiage in the mazes of which could be found innumerable refuges against claims of policy-holders who had, however unwittingly, departed from the strict letter of the agreement. That this appealed powerfully to the popular taste is evident from the fact that in 1888 the Company wrote over \$103,000,000 of new insurance.

The Distribution Policy of the Mutual Life Insurance Company is the most liberal contract offered by any company and produces the best results for the Policy-holders.
