Mercantile Summary.

It is asserted that there are in the United States three times as many men out of employment as at this time last year.

It is said that 3,500 boxes of cheese have been bought in Canada this fall by Mr. George Morton, of Kingston. That gentleman is now shipping his cheese to Britain by way of New York.

FROM THE Canadian port of Mill Point on Lake Ontario there have cleared during the past season of navigation three hundred and three vessels, laden with lumber, shingles, lath, cedar posts, pickets, railway ties and agricultural produce for various American ports.

IT SEEMS to be conceded by the Ministerial Press that that very objectionable clause of the proposed Reciprocity Treaty—the sliding scale—has been eliminated from the document. If several other changes were made it might then be acceptable to the people of Canada; but not otherwise.
