**Mercantile Summary.**

STARCH, made in Cookshire, Que., from potatoes, has been shipped to Cornwall.

THE Midland Railway works at Port Hope are building fifty lumber cars, which it is expected will be fully employed this season.

STRAW, pressed into bales of 250 lbs. each, is being shipped from Compton County to Boston, commanding \$2.50 per ton at the barn.

THE Supreme Court of the State of Ohio has decided that to dun a debtor by postal card tends to injure his credit and reputation and is therefore illegal.

MESSRS James A. Mitchell & Co., did a large grocery and liquor business at Woodville, but not satisfied with a snug trade, commenced operating in grain and produce, when they say they lost all their money. The firm is now attached.

THE Imperial bank has closed its agency in Dunville and transferred its business to the Bank of Commerce. The agency of the Merchants Bank at Almonte has been closed some little time and Mr. Meredith has been removed to Perth in room of Mr. Pringle, who goes to Montreal.

A FARMER named Wm. Cosgrove, who, unhappily for himself, was dissatisfied with his occupation, began keeping a hotel in St. Marys. This he continued about a year, when he rented the building and started a grocery store. In this line he did not appear to have succeeded, as he was considered rather peculiar in his dealings. In consequence of the want of confidence thus created, and domestic troubles, he is reported to have fled the country leaving liabilities of about \$6,000, and nominal assets of the same amount.
