

**A LIST**  
of reasons why you should insist upon having Dr. Pierce's Pleasant Pellets, and nothing else in their place:—

Because they're the *smallest*, and the *pleasantest* to take.

Because they're the *easiest* in their ways. No disturbance, no reaction afterward. Their effects *last*.

They absolutely and permanently *cure* Biliousness, Indigestion, Constipation, Sick Headache, and Sour Stomach. The most common cause of Piles is constipation. By removing the cause a cure is effected.

Montgomery, Orange Co., N. Y.  
**DR. PIERCE:** Dear Sir—I suffered untold misery with bleeding piles. I could get no relief night or day, until I commenced using your "Pleasant Pellets," and now for two years or more, I have not been troubled with the piles; if my bowels get in a constipated condition, I take a dose of Dr. Pierce's Pleasant Pellets, and the trouble is all dispelled by next day.

**Strong Testimony of Emigrant Commissioner, the Hon. George Starr, as to the power of Radway's Ready Relief in a Case of Sciatica, Rheumatism.**

VAN NESS PLACE, NEW YORK.

**DR. RADWAY:**—With me your Relief has worked wonders. For the last three years I have had frequent and severe attacks of sciatica, sometimes extending from the lumbar regions to my ankles, and at times to both lower limbs.

During the time I have been afflicted I have tried almost all the remedies recommended by wise men and fools, hoping to find relief, but all proved to be failures.

I have tried various kinds of baths, manipulation, outward application of liniments too numerous to mention, and prescriptions of the most eminent physicians, all of which failed to give me relief.

Last September at the urgent request of a friend (who had been afflicted as myself), I was induced to try your remedy. I was then suffering fearfully with one of my old turns. To my surprise and delight the first application gave me ease, after bathing and rubbing the parts affected, leaving the limbs in a warm glow, created by the Relief. In a short time the pain passed entirely away. Although I have slight periodical attacks approaching a change of weather, I know now how to cure myself, and feel quite master of the situation. RADWAY'S READY RELIEF is my friend. I never travel without a bottle in my valise.

Yours truly, GEO. STARR.

**INTERNALLY:**—A half to a teaspoonful in half a tumbler of water will in a few minutes cure Cramps, Spasms, Sour Stomach, Nausea, Vomiting, Heartburn, Nervousness, Sleeplessness, Sick Headache, Diarrhoea, Colic, Flatulency and all internal pains.

## PUBLIC OPINION.

**Halifax Chronicle:** The incident shows how easy it would be to make General Herbert's remark the means of arousing the angry passions of the people in Quebec, where, it must be admitted, there is usually a good deal of inflammable politico-religious material stored up for emergencies.

**The Educational Journal:** Surely if nature teaches anything she teaches that children are made for play, at least as much as for work, and that to defraud them of their play in the open air for hours every day is to do them a wrong and to seriously impair their prospects of a vigorous manhood and womanhood, in their coming years.

**The Catholic Register:** The whole trouble, however, is that General Herbert is a devout Catholic, and his appointment did not meet with the approval of those journals which are now attacking him. He is a competent military officer, and as such, he could not be assailed. Had this not been the case, he would not have held office six months.

**Montreal Gazette:** The date of the Ontario elections is June 26th. The struggle will be a short one, a sharp one and a doubtful one. The one safe thing to predict is that the P. of I. and the P.P.A., which have been looming so long in the preliminary talk, will come out small from the ballot box. When two bull dogs grip in a struggle for the mastery the terriers in the pit do not attract much of the public's attention.

**St. John Globe:** There is neither justice nor reason in maintaining that the new tariff is in existence the moment it is brought down in Parliament, but that at the same time it may be amended so as to increase the duties already paid. The common-sense business view is that men having imported their goods under the law and paid the duty demanded of them, and, probably sold them, they should not be called upon to pay a higher rate of duty.

**Quebec Chronicle:** There is activity in the department specially charged with the election of candidates for seats in the House of Commons. The members on both sides of politics are talking more to their constituents than to the House. The speeches they make are couched in language which can have effect only in localities. The Red press and the Blue press contain, these days, only campaign literature. These are signs which are plainer than the pictographs of the Indians, and the smeared trees of the native Orientals. Plainer than mere words, they indicate dissolution of Parliament, and appeal to the people.

**Victoria Colonist:** It is a very serious mistake to look upon those who compose the bands which are on their way to Washington as men in search of work. What they want is the enactment of a foolish and mischievous law, and they are not content to leave Congress perfectly free to accept or reject their petition as it sees fit. Their object is to influence the decision of the Legislature by a display of numbers. They are creating a dangerous precedent. A little reflection must show everyone capable of thinking that the Legislature of a nation must be perfectly free, and that the man who, by an organized mob of even unarmed men succeeds in forcing it to yield to his demands is for the moment, neither more nor less than a Dictator.

5 JORDAN STREET,

The sympathy of most people consists of a mixture of good-humor, curiosity, and self-importance.—*Marie Ebner-Eschenbach.*

**REV. ALEX. GILRAY,** 91 Bellevue avenue, Toronto, has used Acetocura for eighteen years and recommends it for colds, sore throat and indigestion.

It often happens, too, both in courts and in cabinets, that there are two things going on together—a main plot and an under-plot; and he that understands only one of them will, in all probability, be the dupe of both. A mistress may rule a monarch, but some obscure favorite may rule the mistress.—*Colton.*
