Varsity moved up another peg on the road to the Dominion Championship by defeating Queens at the Stadium on Saturday by the score of 23 to 4. The "Blue and White," though playing with a greatly weakened team, were confident of winning the game from the Boys from the Presbyterian College at Kingston. Although lacking the services of "Geof" Taylor and "Pete" German, Varsity put up a much better game than was expected of them, especially in the first half. Both Knox and "Bob" Thompson replaced them ably. The game was played under ideal weather conditions: the only drawback being that the field was greasy which bothered the halves considerably.

Varsity won the toss and kicked up the field. Varsity started off with a rush and worked the ball into Queen's territory. Varsity had the ball three yards out from the Queen's line, but lost on a forward pass. Queens made a similar misplay a moment later. Ramsey torpedoed his way through the Queen's line, for the first touch of the game. Maynard failed to convert. Varsity 5, Queens 0.

Queens kicked to Hassard who was downed in his tracks. After an exchange of kicks in which Varsity gained ground, Varsity got possession on a fumbled pass.

A few moments later Maynard brought the crowd to their feet with a forty yard run, and Campbell ran around the end for a second touchdown. Naynard converted the ball neatly, making the score Varsity 11, Queen's 0.

Varsity kept the ball continually in Queen's territory, and after an exchange of punts forced Leckie to rouge. Score Varsity 12, Queens 0. Queens seemed panic stricken and lost on every attempted run. In a series of scrimmages in which the tackling of Smith for Queens, and Thompson for Varsity were prominent, the Varsity line steadily forced the Presbyterians back. Bob Thompson was hurt in a tackle but pluckily kept in the game. Queens made a mess of every combination play that they had attempted so far. On an exchange of punts Varsity gained ground. The Quarter ended without any further scoring.

The teams exchanged ends and Green kicked to Leckie who ran sixty yards before he was downed. This play was warmly applauded by Queen's and Varsity supporters alike. Queens tried an inside kick but Varsity secured the ball. Campbell, Green, Maynard and Ramsey worked in at this point a forty-five yard combination run, one of the prettiest plays of the game. A moment later Green kicked over for a rouge. Varsity 13, Queens 0.

Queen's began to force the play, and on a muff by Green got the ball on Varsity's ten yard line. They failed to gain yards on two downs, and kicked for one point. Varsity 13, Queens 1. Bob Thompson, was forced to retire and was replaced by Cruickshank. Queens still forced Varsity back. On Leckie's attempted drop, Ramsey was grassed for a rouge. Varsity 13, Queens 2. The Varsity line tightened up but Ramsey rouged on a high kick of Leckie's. Varsity 13, Queens 3.

Varsity started off with a rush but lost the ball on the half-way line. Queens scrimmaged the ball to Leckie who

WYCLIFFE FIELD DAY

Successful Event Held—Many Attended—Interesting Contests

The Annual Field Day of the Wycliffe College Athletic Association was held on Varsity Stadium on Thursday last.

It was undoubtedly the best ever held within the knowledge of the present undergraduates of the College, in point of attendance, in well contested events, and last but not least in the admirable entertainment provided at the close of the day in the Dining Hall. In spite of very wintry weather which militated against the lowering of records, and prevented many friends of the College from being present, there was a record crowd occupying the Grand Stand.

Rev. J. A. Southam, B.D., was Field Captain in the absence of Captain Leonard, the recently appointed Chairman of the Transcontinental Commission. The judges were J. W. Trees, Esq., and F. C. Jarvis, Esq. The starter was Rev. Prof. Cotton, B.D., and last but not least, the official announcer, was H. K. Greene, B.A., etc. Taylor won the 100 yds. dash with Dew and Geddes close behind. The Running Broad Jump was won by Ellis Senr, who made 16 feet 7 inches. Cates and Elliott were second and third respectively. In the Half Mile W. J. Taylor cantered home first with Perry Park and H.H. Wallace as a tandem pair close behind him. Big Chief Elliott, of Onety-five, deposited the 16 pound shot 28 feet 11 inches from his shoe laces, Ellis Senr and T. Dew being 2nd and 3rd. In the 220 yards dash W. J. Taylor got in first with Geddes and McDonald coming after him in a great hurry. The high jump was taken by Wetmore, Cates and Dew taking second and third places. The seventh event, one mile, was paced off easily by Wallace who finished with a strong lead, Lawton and Robinson occupying the 2nd and 3rd positions. The Tug of War resulted in an overwhelming and masterly victory for Division 3. Division 4 went down to defeat before the Beef Trust easily, and without protest. The 3rd division also won handily the Team race. The Final Hurdles were won by T. Dew with Cates and Barclay behind. The obstacle race was taken by all in a rapid trek back to Wycliffe in semidarkness.

A splendid tea was provided for our visitors, and a musical programme of a very high order followed after which Lady Moss kindly presented the prizes. One feature of the Distribution consisted of the awarding of the Silver and Bronze Medals to the successful winners of the Royal Life Saving Society's Competitions under the auspices of Varsity. Taylor took the Championship, and Dew holds second place.

This brought to a conclusion a most successful Field Day and the Executive are to be congratulated on the results of their arduous efforts to make the day, what it turned out to be, an unqualified success. It is to be hoped, however, that next year the Function may be held a little earlier, so as to ensure a little warmer weather for both spectators and competitors.

VIC. TRIMS ST. MIKES

Friday afternoon the Victoria Rugby team met and defeated the St. Michael's team in the Mulock Cup series. The score was 37-0. and is a just indication of the play. At both half and full time Victoria was in the act of bucking over the line—which would have given her 10 more points.

Six touch downs were made altogether, 2 by lucky drops on a loose ball behind the opponents line, and 4 earned. Three were converted. The other points were due to McKenzie's kicking to the dead line.

Victoria showed a nice repertoire of trick plays. The team worked well together tho' a trifle slow in lining up. Among the features of most interest to the spectators was McKinzie's run from quarter to within 10 feet of touchline; and a run of 45 yards made by Paterson, Duggan, and Jewitt.

PEOPLE MADE GREAT MISTAKE

On Reciprocity According to College Politicians

LIVELY DISCUSSION

Pure Water and Inter-Year Debates Also Receive Attention of Lit.

Reciprocity, pure water and inter-year debates formed the chief subjects of discussion at the University College Lit. Friday night. On all of these, striking views were expressed, among which the vice-president's remarks relative to a drinking-water supply, were noteworthy—"if we could not have distilled, we should ask for boiled water or at least something harmless." A discussion over the executive's action in regard to inter-year debates, which it has decided to hold this year before the Society, resulted in the executive's resolution being sustained by the President's ruling.

A vast amount of ardent oratory was called forth by the debate—"Resolved, that the Society approves of the decision of the people of Canada in the recent elections." The poor old question was once more dragged back and made the subject of the fiery eloquence of those who felt they had a message to deliver. In all twenty-four speakers, many of them freshmen, wrestled with the problem and many new and original aspects of the question were revealed. One speaker insisted that the late vote had been one based on deliberate reason. Another that it was an evidence of the "nebulous nonsense" and "monumental asininity" addressed to, and shown by, the Canadian people. It was maintained that American markets were as good as English markets while, as one orator said, the unification of the Empire "should be the aim to which the ambitions of our future statesmen should gravitate."

The use of annexation cries and appeals to emotion by the Conservatives was frequently censured altho' one man was bold enough to declare that appeals to patriotism were always in order. Many speakers contended that the Imperial connection was more important than commercial gain and that reciprocity meant commercial dependence on the States. Various statistics were quoted, some to show that Canadians would have benefited financially, others that they would not. The riddle of higher prices to producer and lower to consumer was attacked but not satisfactorily solved. Two unsuccessful attempts were made to close the discussion, on the first of which occasions, a member compared some of the speakers of the evening with Disraeli's description of Gladstone—"a Sophisticated rhetorician intoxicated with the exuberance of his own verbosity."

In supporting this movement, the leader of the opposition contended that a decision should be taken before anyone left, and that each man vote on his convictions; thus he said, would the conclusions of the Society gradually come to have an influence on the outside world. However, the meeting was protracted until 11 p.m., when a vote being taken, a verdict for the negative resulted.

On the whole, one might say that the points raised were good, the speeches excellent and the three minute limit a success.

The proceedings were enlivened by the formal introduction of the Cabinet, by several College songs and by two vocal solos with guitar accompaniment, rendered by Mr. Scott. Mr. Farr made a very acceptable critic. Next week, the question of the wearing of gowns will be discussed.

The Western Club will hold their first dinner this season on Tuesday eve the 7th at 6.30 p.m. at Albert Williams Café. All 'Western' men should turn out.

CAMPAIGN IS IN FULL SWING

Be Ready With The Dollar For The Settlement Canvassers

Bang! The Settlement Campaign is in full swing. For the next four days, the canvassers will be on the war path. The settlement is the students' own work and it is confidently expected that there will be a generous response to the canvassers who are endeavoring to raise \$2,500, the cost of maintenance this year.

The aim of the settlement is to interest students in social work. Each year a new class passes from this University out into the world, where social problems, such as that provided by the moving foreigner must be met. Now is the time to get interested so that you may help to solve that question, thus doing a service to Canada, and credit to your Alma Mater. Other Universities outside of Canada have done settlement work successfully. Toronto has the honour of being the first Canadian University to do so. But remember the others are watching. Then show them the true spirit of the Toronto man, and do this service to humanity.

The following is the list of Captains for the campaign in the various colleges:

University Captain, Mel Brock. University College, Women Students, Miss M.E.L. Thompson; Men Students, H. V. Hearst. Victoria College, Men, H. E. Manning. Trinity College, Women, Miss G. Goldie; Men, H. H. Priest. Medical College, Men, C. P. Brown. Faculty of Education, Men, W. Tamblin. Dental College, J. S. Bricker. Knox College, W. J. Christie. Forestry, W. J. Boyd. Faculty of Applied Science, Fraser Elliott. Household Science, Miss G. Lloyd. Wycliffe College, G. S. McGoffin.

Luncheon will be served in Y.M.C.A. building every day during campaign at 1 o'clock to all canvassers. Send in your report if you cannot attend. Those who have not their cards will get them at to-day's luncheon.

R.M.C. DEFEAT VARSITY II

Piled Up Big Score In Early Part Of Game—III's Lost Close Game

Saturday morning R.M.C. sprung a surprise on Varsity II by defeating them in a hotly contested game by 23-18. The Kingston boys began scoring in the first quarter and at the end of this chapter had amassed a 12-point lead.

Varsity was able to hang up only 5 points at half time, thanks to a buck over by Nicholson. R.M.C. supplied the spectators with some of the most dazzling passing runs that were of the Varsity first type. Varsity's line-up to this time proved no obstacle to them and with the excellent work of their backs had Varsity distinctly shaded.

In the third quarter Varsity woke up and began to force the play in R.M.C. territory. A few minutes after the start Nicholson nabbed a loose ball and pushed it through for a touch.

By dint of heavy hammering Varsity again annexed a touch and lead 17-12. At this time the R.M.C. bucks proved ineffective and were smothered by Varsity's line. The third quarter ended Varsity 18, R.M.C. 12.

In the last quarter R.M.C. after losing getting the ball on Varsity's no yards bucked over and made it 17-18. The last touch made by R.M.C. was converted making the final score 23-18. The line up: Varsity—Back, Boddy; Halves, Webster, McLaren, Cuyner; Quarter, Gardner; Scrimmage, Schwalm, N. Simpson, Muntz, Strome, L. Simpson, Edgar, Nickleson, Platt, Alexander.

R.M.C.—Back, Galt; Halves, Carruthers, McCauley, Lawson; Quarter, Blackstock; Scrimmage, Greene, Mallory, Greenwood; Wings, Sweeney, Storms, Roberts, Pearce, Schemberger, Fry.

Referee—Red Dixon. Umpire—Duff Wood.

FORESTERS' CLUB OPEN MEETING

Address by Dean of Faculty—Dinner or Dance Question Discussed

The University of Toronto Foresters' Club held its opening meeting Friday night. The President, Mr. Findlayson, spoke of the loss sustained each year by the passing of the Senior Class, compensated for to a certain degree by the coming of the Freshman Class, and read a letter from Mr. S. S. Sadler, a recent graduate telling of his experiences in work on the plains and at Indian Head.

Dr. B. E. Fernow, Dean of the Faculty, gave the speech of the evening, speaking not as a professor or instructor, but as a friend.

In the University as a whole, the dean declared, few know why they are here. This sounds startling, but is the common condition among young and old, undergraduates and instructors. The imparting of knowledge is not the important function of an University. The meaning of Education is—drawing out, a different affair from putting material into a receptacle—to be taken out partly spoilt. As in manufacture so in education there are by-products, often more important than the main one. The by-products of proper education are reliability and character, and are result of a man's own efforts and exercise of will. A man must be self-educated. The University is only an opportunity. Athletics are also of first class importance.

The departmental library offers a large field. Other languages than English may be necessary but the collection is very complete and new works, if necessary or desirable, can be secured. The laboratories are small but efficient. The smallness of the School permits a close acquaintance with the Staff, an advantage that cannot be found in a larger School.

It was suggested that a publication to represent the undergraduate body of the Faculty be started.

Mr. Morton raised the question of an annual dinner or dance. It was difficult to decide which of these would be preferable and the question was left over to another meeting. A very sensible argument for the dinner was given by one man who declared: "We can't all dance, and we can all eat. Let's have a dinner."

The meeting concluded after the serving of refreshments and an informal song service. The prospects are bright for a prosperous and useful session of the club this year.
