

3. Each Party shall be responsible towards the other for ensuring that the provisions of this Agreement are accepted and complied with by all of its governmental enterprises, and by all persons under its jurisdiction.

ARTICLE II

1. This Agreement shall apply to items referred to in Annex A to the present Agreement which the appropriate governmental authority of the supplying Party has specified prior to shipment is to be subject to this Agreement.

2. Items which are listed in Annex B to the present Agreement shall be deemed to have been transferred between the Parties after the entry into force of this Agreement, and shall be subject to all the provisions of this Agreement.

ARTICLE III

1. Equipment, material, nuclear material and facilities referred to in Annex A to the present Agreement shall be transferred beyond the jurisdiction of a Party only with the prior written consent of the appropriate governmental authority of the other Party. Information shall be transferred beyond the jurisdiction of the receiving Party only with the prior written consent of the appropriate governmental authority of the supplying Party. Nuclear material referred to in Annex A to the present Agreement shall be enriched, or reprocessed only as agreed in writing between the Parties.

2. If a Party considers that it is unable to grant consent with respect to a matter referred to in paragraph 1 of this Article, that Party shall provide the other Party with an immediate opportunity for full consultations regarding that issue. A Party shall not withhold its consent with respect to a matter referred to in paragraph 1 of this Article for the purpose of securing commercial advantages.

ARTICLE IV

1. Nuclear material referred to in Annex A shall not be used for or diverted to nuclear weapons or other nuclear explosive devices.

2. If for any reason or at any time the International Atomic Energy Agency is not administering safeguards in a Party in accordance with the Agreement between that Party and the International Atomic Energy Agency for the Application of Safeguards in Connection with the Treaty on the Non-Proliferation of Nuclear Weapons, that Party undertakes to accept safeguards as set forth in an agreement to be concluded with the International Atomic Energy Agency in accordance with the Statute of the Agency and the Agency's Safeguards System then in force, for the purpose of verifying that nuclear material within the jurisdiction of that Party is neither used for nor diverted to nuclear weapons or other nuclear explosive devices.

3. For the fulfilment of the obligations under paragraph 2 of this Article the following procedure shall apply:
