MANICOUAGAN—CONSTRUCTION OF ACCESS
ROADSQuestion No. 1,454—**Mr. Blouin:**

With reference to the federal-provincial plan for the construction of access roads to natural resources (a) what works were undertaken in the constituency of Manicouagan (b) what was the length, in miles, of the roads constructed (c) where were they constructed (d) what was the cost (e) how much was contributed by the federal government (f) are any new agreements with the provinces contemplated?

Mr. R. J. Orange (Parliamentary Secretary to Minister of Energy, Mines and Resources):
The Department of Energy, Mines and

22218—36

Resources has no record of road construction under a federal-provincial cost-sharing agreement in the federal constituency of Manicouagan.

POSITION HELD BY JEAN OCTEAU—EXPO '70

Question No. 1,507—**Mr. Coates:**

1. What position does Jean Oteau hold with the Canadian Government insofar as its participation in Expo '70 in Osaka, Japan, is concerned?

2. What accommodations have been provided to Mr. Oteau at government expense during the period of his stay at Osaka and how long will he be involved with Expo '70 in Japan?
