Dear Colonel Meredith,

Let me acknowledge your letter of September 24th. I shall be glad to do what I can at McGill to cooperate with the League of Nations Society in Canada in securing the broadest possible circulation of the petition for World Disarmament by International Agreement. As soon as the college opens we shall arrange for publicity in the "McGill Daily", the students' newspaper, and I shall make other suggestions to the McGill League of Nations Society in the matter.

Ever yours faithfully,

Principal.
