

see that I mentioned the  
splendid work we give  
was doing for the teachers  
of the province by the  
summer schools and  
extension courses. I also  
referred to the work you  
did with regard to the  
grant of \$25,000 which  
will mean a great deal  
to the teaching profession  
of this province. The  
reporter said no word of  
either of these important  
facts which the public ought
