

*From DONALD MACLEAN, Esq., M.D., L.R.C.S., EDIN., Professor of
Institutes of Medicine, and Lecturer on Clinical Surgery, Royal
College Physicians and Surgeons, Kingston.*

To the Board of Governors of the Montreal General Hospital,

GENTLEMEN,

I have much pleasure in recommending Dr. John Bell
for the appointment of House Surgeon of your Hospital.

The Doctor has been very intimately known to me during the
last six years, first as a student at this Medical School, where he
was greatly distinguished for his assiduity, enthusiasm, and suc-
cess in the pursuit of Medical knowledge; afterwards in United
States Army Hospitals, where he not only displayed in a high
degree all the qualities of head, hand and character calculated to
render him a successful practitioner of Medicine and Surgery,
but also administrative tact and ability, such, as I am sure, are
very rarely possessed by a man of his age.

I have the honor to be,

Gentlemen,

Your Obedient Servant,

DONALD MACLEAN, M.D., L.R.C.S., EDIN.,
*Prof. Instit. Med. and Lect. Clin. Surgery,
Royal College P. and S., Kingston.*
