

4. All manufactures in Wood, Iron, Tin, Brass, Copper, Leather, India Rubber, &c., competing with our industrial products, as more fully specified in the proposed list of articles and duties, now submitted and adopted, should be charged a duty of about 25 per cent, excepting :—

That your memorialists, believing that the immediate effect of a revision of the tariff according to the scale now suggested, will be to mitigate the despondency perceptible in every quarter, to create a feeling of confidence in the minds of resident capitalists, to attract the attention of foreigners to our magnificent manufacturing resources, to stimulate enterprise among our mechanics and artizans, and import fresh vigour to our agricultural population.

That your memorialists in conclusion, respectfully pray that Your Hon House will be pleased to give prompt consideration to the whole subject, and adopt without delay such changes as may be found essential to the promotion of the great public interests that are involved, and as to your wisdom may seem meet.

And your Memorialists will ever pray.

Signed in behalf of the Meeting.
