

the Great Creator, who gave it ; at his death, strip the flesh from his bones, cremate it, seal the ashes therefrom in a glass jar, place it beside his skeleton for future generations to view on the same terms as stated, and said fund should be a rich legacy to those and their kin who did so much for our Freedom. Also recommend that you protest against the sinking of the German battleships, which seems foolish to me ; have the guns broken into scrap, sell the ships and all to the highest Allied bidder, and give the proceeds to the sailors, who justly deserve them.

Would appreciate an acknowledgment.

Sincerely,

G. ARTHUR BURGESS.
