

10. The following table shows the number of hours worked by each of the 1000 workers.

卷之三

10. The following table gives the number of hours per week spent by students in various activities.

the first time in the history of the world, the entire population of the globe has been gathered together in one place.

...and the other day I was in a shop in New York, and I saw a copy of "The Atlantic Monthly" with a picture of a man in a suit and tie, and he looked exactly like you. I said to myself, "That's him!"

of the University of Minnesota, and the author of numerous books and articles on the history of the state.
