Arnold's Classical Series has attained a circulation almost unparalleled, having been introduced into nearly all the leading educational institutions in the United States. The secret of this success is, that the author has hit upon the true system of teaching the ancient languages. He exhibits them not as dead, but as living tongues; and by imitation and repetition, the means which Nature herself points out to the child learning his mother-tongue, he familiarizes the student with the idioms employed by the elegant writers and speakers of antiquity.

The First and Second Latin Book should be put into the hands of the beginners, who will soon acquire from its pages a better idea of the language than could be gained by months of study according to the old system. The reason of this is, that every thing has a practical bearing, and a principle is no sooner learned than it is applied. The pupil is at once set to work on exercises.

The Prose Composition forms an excellent sequel to the above work, or may be used with any other course. It teaches the art of writing Latin more correctly and thoroughly, more easily and pleasantly, than any other work. In its pages Latin synonyms are carefully illustrated, differences of idioms noted, cautions as to common errors impressed on the mind, and every help afforded toward attaining a pure and flowing Latin style.

*From N. WHEELER, Principal of Worcester County High School.*

"In the skill with which he sets forth the *idiomatic peculiarities*, as well as in the directness and simplicity with which he states the facts of the ancient languages, Mr. Arnold has no superior. I know of no books so admirably adapted to awaken an *interest* in the study of the language, or so well fitted to lay the foundation of a correct scholarship and refined taste."

*From A. B. RUSSELL, Oakland High School.*

"The style in which the books are got up are not their only recommendation. With thorough instruction on the part of the teacher using these books as text-books, I am confident a much more ample return for the time and labor bestowed by our youth upon Latin must be secured. The time certainly has come when an advance must be made upon the old methods of instruction. I am glad to have a work that promises so many advantages as Arnold's First and Second Latin Book to beginners."

*From C. M. BLAKE, Classical Teacher, Philadelphia.*

"I am much pleased with Arnold's Latin Books. A class of my older boys have just finished the First and Second Book. They had studied Latin for a long time before, but never *understood* it, they say, as they do now."
