

## COUNTY FARMERS BITTER IN THEIR DENUNCIATIONS OF BORDEN GOVT. MOVE

Meetings in London, Lobo and Delaware Townships, to Name Delegates for Middlesex Delegation of Protest, Marked by Condemnation of Broken Election Pledges.

More than 200 farmers of London Township congregated in the township hall at St. John's last night to protest against the action of the Borden Government in conscripting farm help service. A petition recommending that the amendment to the M.S.A., whereby the son of the farmer is conscripted to report for duty in the army be rescinded, was passed and will be presented to the Government.

Those attending were unanimous that Premier Borden and his associates had broken the promise they made to the agriculturists of Canada at the time of the election. All speakers condemned the Government for increased production was made ridiculous by the recent action of the House in approving the M.S.A. amendment. The speakers voiced the general feeling of their listeners when they pointed out the futility of attempting to augment production without the necessary Denunciations of Premier Borden and the Government in allowing farmers to sow previously unbroken land in order that they might respond to the universal cry of more food for fighting troops, was heard on all sides. It was decided to present a petition to the Government, in order that a representative number of signatures be affixed to the petition, which will be presented to the Government. Two delegates were appointed to present the farmers' case and the petition to Frank Campbell, M.P., who will be instructed to call the attention of the Government to the situation. A meeting of a similar nature will be held tonight at Thorncliffe.

### LOBO TOWNSHIP SENDING FIVE DELEGATES.

COLDSTREAM, May 8.—Farmers from all parts of the township were here last evening for a meeting called by ex-Warden Barracks, a cause worthy of the heartiest support. It is expected a large crowd will avail themselves of the privilege, not only of bringing cheer to the sick boys, but also of enjoying a delightful evening on the splendid floor of the asylum recreation hall, which has been kindly loaned to the club by Dr. W. J. Renwick.

**Loss to Farmers.** A Scott spoke strongly on the question of the loss farmers will sustain if the young men are taken. He pointed out that the loss of the young men, who are the backbone of the farm, would be a serious blow to the industry.

FOR YOU A ROSE. The rose, especially the red rose, has always been called the symbol of love, and the song, "For You a Rose," carried in the Player Ball Department of Mason & Risch, Limited, 245 Dundas street, London, is all that the name implies in poetic order and originality. At the same time, the melody is catchy and splendid for the dance. Decidedly a song novelty which you will want as soon as you hear it.
