London Holds Aloof From O.B.A.—Too Much Toronto

Dissatisfaction With Hogtown Rule Is Reason Western and "Y" Are Not In—Former in Intercollegiate.

London won't be represented in the O. B. A. this season, because, it is said, of dissatisfaction with the governing body. Toronto, last year both the Y. and Western U. had entries in the organization, but this year are holding aloof. Like everything else in sport, what is in Toronto goes in basketball, whether it is fair and just to the outside teams or not, and the inevitable result is dissatisfaction. In sport, and this goes all the way down the line, what they need is not a change in government so much as a change in location. Toronto isn't to be blamed. It's the port hub of the province—much of the

Many Changes in Pilots For 1921 Ball Season

Loran and Speaker Are Stick-ers To Post, Though Former Wavers.

New York, Nov. 17.—A general shake-up of managers in the major leagues is under way. Already changes have been made or are about to be made in six of the teams, and there are signs that when the 1921 season rolls around there will be new faces at the helm of a majority of the teams. The season 1921 will likely see the coming of George Stallings, the "Miracle Man" of baseball—the man who led the Braves from the cellar to a world's championship. Many critics, however, believe that the man chiefly responsible was Johnny Evers, who, with Marvynville as the infield stone wall of the champion Braves. Evers is going back to his first love—the Cubs. He is going to try his hand once more as a manager, that is, he had one trial at it before, and failed. Hugh Jennings is back in the National League. The former Tiger leader is going to act as Johnny McGraw's assistant in the matter of guiding the Giants. Jennings, however, will practically be manager of the team. He will take the place held by Evers. Evers deserves the credit for the Giants' game fight. It is known that McGraw is tired of handling the managerial reins. He is interested, financially, in the club, and wants to take the executive end of the game. When there was talk of Wilbert Robinson going to the Yankees he said: "Col. Huxton and Col. Ruppert are both personal friends of mine and personal friendship should not enter into my going to Joe Yankees." Now Robinson is booked for three years more with the Dodgers. It is the first time he has signed a time contract with the club, but he had it coming to him after bringing two pennants to Brooklyn in five years. McGraw's manager of the Red Sox, as he went to the Yankees to act as business manager. In Philadelphia Cactus Cravath is going to the Athletics and a new manager will be selected for the Phillies. Clark Griffith of the Senators, now that he is part owner of the Washington team, also wants to give up the managerial reins. Of course there will be no change in Cleveland and Cincinnati, where Tris Speaker and Pat Moran brought the

MONTREAL, Nov. 17.—The Herald today announces that Dufresne and Bouchard, league hockey players, have gone to Hamilton, where they will play this winter in the Ontario Amateur Hockey Association games.

LEVINSKY LOSES CHANCE. London, Nov. 17.—The match planned for Batting Levinsky and Joe Beckett for a purse of \$25,000 has been called off because Levinsky lost to Carpenter in the United States.

SCHWARTZ TO RETIRE. New York, Nov. 18.—Morton L. Schwartz, owner of prominent thoroughbred tracks in this vicinity, has decided to retire from the turf, it was learned today. He will sell his entire string of horses, including such winners as Engle, Audacious and Care Free.

CHAMPION TROTTER IS SOLD. New York, Nov. 17.—W. E. D. Stokes has sold Peter Volo, world's champion trotting colt, to Walnut Hall Farm for breeding purposes. It was the first time the price was not made public, but it was said to have been "about \$50,000." Peter Volo was a champion automobile race to be run on the Los Angeles Speedway on November 25, the United States Thanksgiving Day. On the entry list, which closed last night, were Eddie O'Donnell, Roscoe Rares, Eddie Miller, Jimmy Murphy, Tommy Milton, Waldo Stein, Al Meicher, Jim Crosby, Captain Eddie Rickenbacker will act as referee.

THIRTEEN ARE ENTERED. Los Angeles, Cal., Nov. 18.—Indicating the racing drivers' disregard of the superstitious, thirteen entries were on the today for the 250-mile championship automobile race to be run on the Los Angeles Speedway on November 25, the United States Thanksgiving Day. On the entry list, which closed last night, were Eddie O'Donnell, Roscoe Rares, Eddie Miller, Jimmy Murphy, Tommy Milton, Waldo Stein, Al Meicher, Jim Crosby, Captain Eddie Rickenbacker will act as referee.

SOX SIGN TWO PLAYERS. Chicago, Nov. 18.—Secretary Harry Grabner of the Chicago Americans today announced the signing of two players. One of them is Johnny Moser, an outfielder, who was with the White Sox spring camp for the past few seasons. He played with the Milwaukee American Association team the past two seasons. Mickey Collins, the other player signed, performed last season with an independent local team as an outfielder.

AS YOU WERE

In line with their adopted boxing program of a bout each month for six months, the Army and Navy Veterans are planning for their second tournament for Friday, December 10.

A meeting of the committees in charge of the boxing will be held tonight at the Vets' rooms and final details decided upon. It is possible that some outside men will be called in for the next bout, and just who these will be is not known just now.

The bouts last time were a loss financially, but what they didn't gain in the way of surplus profits, they gained in prestige. The Vets more or less anticipated a deficit, but they don't expect that state of affairs regularly.

There seems to be no reason in the world why good clean boxing cannot be made to pay its way in London. It pays its own way in all the smaller towns, even with high-priced cards. However, the Army and Navy Veterans are taking the best course by staging largely amateur cards for a start, which probably are a greater attraction in London than the real, cauliflower-cared brand. In the past the pro bouts haven't been all they might have been—either in effort expended by the boxers or time to time substitutions. Now that the boxing commission is at work this sort of thing will be eliminated. That past, however, has had much to do with making London lukewarm where boxing is concerned.

The Army and Navy Veterans' first show got well away from the professional fighting atmosphere. The boxing committee in charge don't know everything about the fine points of promotion—nor the shady ones—but they do know what they desire to give the fight fans of London, and that is the cleanest and best boxing they can procure.

Their motto "A show every month and a better one" will be lived up to in London fans do their share to ward the effort.

McGill has definitely stated that they will not play off with the O. R. F. U. or any other union if they're victorious Saturday. Varsity has intimated a willingness to mix with anybody if they are returned victors. McGill gives as the reason the necessity of getting back to studies. "We will not" should be inscribed on the McGill coat of arms.

ONE SIDE. He is a thing of beauty, and a paragon of grace. He has Apollo's body; also a godlike face. "But scrap 'y' say, Aw, he can't fight. He's just an ornament. He's best around the movies; at the beach on pleasure bent."

AND THE OTHER. "Well, maybe, M'ster, you are right. We wait for little while. And den we see Georges and Jacques and den we judge the style. Me! I don know se box fight, but dis I know is true. Georges go out and find wad fight wile Jack—well, he just blew."

HOCKEY DIRECTORY UP TO DATE. Toronto Canoe Club's Junior O. H. A. team of last year has disbanded. "Bully" Burch, Harold Applethorpe and Lionel Conacher are with Arm. Lepplegh will play with the juniors, and Conacher and Burch with seniors. Of the others, Goalkeeper "Roy" Worters and "Duke" McCurry are in Timmins. Goalkeeper Moore is in Port Colborne, and "Tex" White in Dunnville.

Making a rough guess, these probably made these moves during the past summer, possibly closer to August 1 than to April 1.

Galt and Sarnia C.I.'s Meet in Sudden Death Here Saturday

Both Teams Have Good Record On Season and Clash Should Be Good One—Sarnians Favored Here.

Professor Mel Brook of Western University announced last night that Sarnia C. I. and Galt Collegiate teams would meet here Saturday in a sudden death semi-final junior interscholastic game. The local man is making the arrangements for the teams, who will play at Tecumseh Park. Both these teams have good records, although Sarnia's season has been short. The winners meet De La Salle.

Jack Newton, former Varsity star, has coached the Sarnians for the past two years, and in that den of rugby has had every support. The London fans who turn out are likely to see a hard-fought game and good rugby.

SARNIA, Nov. 17.—Ken McGibbon, captain of the Sarnia Collegiate rugby squad, has received word from Harry McKee, secretary of the O. R. F. U., that the local student squad will play a sudden death game with Galt in London next Saturday to return a winner for the finals with De La Salle at Toronto.

The locals have been hard work since the St. Thomas series for the next round, and while they would have preferred home-and-home games, they are content to abide by the decision of the head body. London Collegiate, which has shown a decided aversion to playing to S. C. I. for the past several years, will have this opportunity of watching the team they have looked for a hard battle, are going into Saturday's game confident of another victory. So far this year they have never been beaten. They have scored 110 points, as against the seven points scored against them in four games.

On the entry list, which closed last night, were Eddie O'Donnell, Roscoe Rares, Eddie Miller, Jimmy Murphy, Tommy Milton, Waldo Stein, Al Meicher, Jim Crosby, Captain Eddie Rickenbacker will act as referee.

O. H. A. PRESIDENT TO STEP DOWN AT ANNUAL MEETING

Vice-President Copeland in Line—Hewitt and Paxton Stand For Re-election.

TORONTO, Nov. 17.—R. M. Glover of Peterboro, who has been president of the Ontario Hockey Association for the last two years, will retire, it is understood, at the annual meeting of the O. H. A., here on December 4, and Albert E. Copeland, vice-president, will step up to the presidency. W. A. Hewitt, Toronto, secretary, and Sheriff J. F. Paxton of Whitby, treasurer, will stand for re-election.

Official birth certificates will be required for all players in the O. H. A. Under the residence rule a player must be a bona fide and continuous resident of the town to which his club belongs since August 1, 1920. The exceptions are enlisted soldiers, students, teachers and sailors. The last named must play where they were living last January.

The O. H. A. is affiliated with the Canadian Amateur Hockey Association, which is in alliance with the International Skating Union, in control of hockey in the United States, and no exhibition games can be played by any club without written permission from the O. H. A.

Plenty of Material Turns Up To Form a Fast City League

Western "U" At Student Meeting Tonight May Decide To Go In—Will Be Great Aid in Establishing Good Circuit—Commission Probable.

Western University is almost certain to be lined up for City League hockey as a result of a meeting to be held by the students tonight. If Western falls into line the fact should be a great help in making the hockey program to be undertaken at the meeting Friday night much clearer right at the start.

The clubs in the city were hardly able to make four teams, but with three clubs willing to place teams in the City League, Western's entrance would just round out a nice little four-club organization.

Inter-Faculty Developed. Western's entrance this year in such company will be made easier by the fact that their inter-faculty hockey league last year developed some good talent, which Mel Brock thinks can be put into pretty good shape against the time the ice comes around. It wasn't so much the brand of hockey inter-faculty produced, but it was the enthusiasm displayed under all kinds of adverse conditions. The inter-faculty teams played over-air, and weren't always sure of that accommodation, but even in the fog-end of the season the regulars turned out with their teams. That kind of spirit will offset often brilliancy of play, and that kind of spirit may be expected from the Purple and White.

There is some talk of abandoning the Canadian game and going in for American rugby, a section of the fans evidently having grown tired of the way they have been used in the past. On regard today, had nothing to say and intimated that such action had not been broached so far as they knew, but the rumor persists.

Skating in this city has already commenced. For the past several days Sarnia Bay has been covered with a sheeting of ice and a number of the city league hockey players have been getting in their first workouts. The Bearcats and Point Edward have been on the ice already.

CANUCK POLOISTS WIN AT NEW YORK HORSE SHOW GAME

Few Canadian Entries This Year Owing To Border Restrictions.

NEW YORK, Nov. 17.—(By Canadian Press).—The third day of the horse show was a big day for Canada, inasmuch as the Ontario polo team won tonight from a team representing the various polo clubs of New York. The Ontario team, composed of Canadian polo players, who were in the metropolis for the show, conceded its opponents one goal and won by the score of 8½ to 6, having to forfeit one-half goal through a foul.

The daily polo games at the show are an innovation this year and attract great crowds nightly to Madison Square Garden. The Ontario victory tonight was witnessed by a mighty audience, and seemed very popular.

The team was made up of J. C. Sherman, E. W. Hotting and R. A. Grannie. The victors of tonight's match will greatly regretted by Canadian residents of New York. Canadian-bred horses, however, have been taking their full share of honors. Regret was expressed today that the hunters of Herbert C. Cox were not at the show, although Mr. Cox has his string at a nearby Long Island suburb.

One Canadian entry figured in today's results. Maid of Honor, blemished by Douglas Ness of Toronto, winning third place in the runabout harness class.

SARNIA PULLS JUNIORS OUT OF THE O. R. F. U.

SARNIA, Nov. 17.—As a result of the deal handed the local club by the O. R. F. U., the junior entry to the Ontario Union has been withdrawn. The local club appears to believe that the O. R. F. U. have their knives out for them and are taking no chances for them to heap further indignities upon them.

There is some talk of abandoning the Canadian game and going in for American rugby, a section of the fans evidently having grown tired of the way they have been used in the past. MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities—Macdonald's has always been recognized as the smoke.

MACDONALD'S CUT "BRIER"—the same tobacco but in new form—maintains every Macdonald tradition since 1858, and gives to smokers—more tobacco for the money.

THISTLES TO INTRODUCE A NEW COMPETITION

An inter-club curling competition is planned by the Thistles for the coming season, on the lines of the one introduced by the Grey Club of Owen Sound.

The north-enders are all set for an honest and good-natured winter curling season. The latter commodity is all they need to start the game away.

CAYUGA SOFT BALL

CAYUGA, Nov. 17.—The game of soft ball staged for Tuesday night between the Federals, victors of the season's series, and an all-star team picked from the married men and high school boys was largely attended, and the fans enjoyed thoroughly the season's closing game. The all-stars won by a score of 19-9.

A team from the Cayuga High School journeyed to Hagersville on Tuesday afternoon and defeated the Natives at football in a score of 1-0. The game was very fast.
