**McIntosh Corners Jeffries.**  
NEW YORK, March 12.—Promoter Mc-  
Intosh, who arranged the Burns-Johnson  
fight, to-day said that he would be satis-  
fied to postpone it till above date, Fri-  
day, March 26. Entries for this sale  
will not close until March 26. Breeders  
and consignors to the above sale are  
requested to take note of the above  
change of date and get your entries in  
at once, as all Horses will be cata-  
logued in the order entries are re-  
ceived.

I am satisfied that Jeffries can be  
trained and brought into fit condition for  
the fight," said McIntosh. "For him to  
enter the ring with Johnson without being  
in the best condition, however, would be  
extremely foolish, for Johnson is a won-  
derful fighter. There is no man living  
in the best of condition and whether he  
be beaten at all now remains to be seen.  
It was hard work to get Jeffries into con-  
dition when Jeffries was only 24 years  
old. It will therefore be an extremely  
hard matter now, but I am pretty certain  
that it can be done."

McIntosh said he wanted to arrange  
for the fight to take place within six  
months. He added that if Jeffries could  
be got into fighting condition at all the  
work of training him fit could be done in

six months. He would not want to ar-  
range a match, he said, unless both men  
were fit, for he did not believe in giving  
the spectators at such an event anything  
less than the full worth of their money.  
Jeffries in the ring. "He has said to me,  
McIntosh quoted, "I'll fight Jeffries and  
want to, but he won't fight me," and has  
added, "I can't drag him into the ring." I  
said to him, "If I can get him into the  
ring then you'll fight, will you?" John-  
son's answer was yes, and it is now up to  
Jeffries."

SAN FRANCISCO, March 12.—President Charles A. Comiskey of the Chicago American League Club has announced that he will take his baseball team around the world after the season of 1911 is finished.

The trip of the All-American Baseball Club to Japan, China, the Philippines and Hawaii last winter led Comiskey to think that a trip around the world would be a success. The trip of the old Chicago White Stockings around the world in 1893 was an unequalled success. In 1906 Comiskey took his team to Mexico City for its spring training.
