

## TWO ACCIDENTS NEAR ST. STEPHEN

One Car Hits Telephone  
Pole—Two Others  
Collide

(Special to The Times-Star.)  
St. Stephen, Sept. 10.—Although this town is full of cars for the exhibition no accidents have taken place in the town as yet, although two accidents are reported outside. One about 11 o'clock last night at Milltown when a Ford truck driven by Louis McAllister, of that town, who was on his way home accompanied by two women, blinded by the lights of a big Maine car, struck a telephone pole, smashing his car and slightly injuring himself and one of the ladies, while the other was more serious but it is thought not dangerous. Another accident is reported from Brockway, about 80 miles from here on the Fredericton Road, when a Buick roadster driven by Mr. Mathews, of the town, who was going towards Fredericton and a big seven-passenger car driven by W. E. Farrell, of Fredericton, who was accompanied by his wife and a party came to the St. Stephen exhibition this afternoon, came together with the result that both cars are badly damaged, but the occupants of both cars escaped without injury.

## Have You Appendicitis And Don't Know It?

Much so-called stomach trouble is really chronic appendicitis. This can often be relieved by simple glycerine, buckthorn bark, etc., as mixed in Adlerika. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowels. Removes all gases and poisons. Brings out matter you never thought was in your system. Excellent for obstinate constipation. J. Benson Mahony, druggist, 2 and 4 Dock street.
