26th. That 500 copies of our Articles and Covenant be  
printed, and that Elders JOHN BURTON, GEORGE DIMOCK and  
GEORGE RICHARDSON revise said articles:—the expenses of  
printing the same is recommended to be paid by the several  
Churches.

The Session was particularly crowned by the Divine Pre-  
sence: the Lord's Ministers present appeared deeply inter-  
ested in the cause of God, and much solemnity on the minds  
of the numerous and crowded assembly. Saints were com-  
forted, and the attention of sinners much called up to the  
consideration of eternal realities.
