Society ; and I have hopes that a Branch may yet be formed in that place.

In returning, addressed large meetings in Hantsport and Rawdon. In the former, where no Branch heretofore existed, one was organized. Rev. Mr. Burton (who manifested the deepest interest in the matter) was elected President, Robert McCulloch, Secretary, and James Elder, Treasurer. A Committee were appointed to secure subscriptions and have a Depôt formed.

In Rawdon above \$8 were subscribed, part of which was obtained, and collectors were appointed to secure the remainder.

The places visited with the Scriptures were places about the back of Horton, Gaspereaux Mountain, &c. I discovered in all six families without Bibles, who were all supplied, and about an equal number of families who had part, but not a whole Bible. In some very poor families, also insufficiently supplied, I gave away some Bibles and Testaments.

During the past quarter, in prosecution of my work, I have travelled by rail, coach, and private conveyance, 470 miles ; walked 262. Visited with the Scriptures 172 families ; addressed 39 meetings ; disposed of 91 Bibles and 54 Testaments—of these 10 Bibles and 14 Testaments were given away gratuitously ; the remainder sold. In all 145 copies of the Scriptures have been circulated.

I have nothing very particular to notice with regard to the work of last quarter. There is, so far as I can perceive, no abatement, but a marked increase in the interest taken in the circulation of God's Holy Word. That book every quarter is finding its way to the homes, in retired places, of some who did not previously possess it. With each copy given a promise is exacted to read a portion of its contents daily. I trust the promises made will be kept. That the Scriptures
