SPokane Struck A Rock In The Narrows

Mishap Occurred Near Cape Mudge Late Last Evening—Two Passengers Missing

While bound from this city on the second of her Alaskan cruises, the Pacific Coast steamship Spokane, Captain Gupitll, struck a rock in Seymour Narrows at a late hour last evening, and was so badly damaged that when she was floated off it became necessary to beach her in Plumper's Bay, near Cape Mudge. The first news of the stranding was flashed here by the steamer Prince George, which was standing by the Spokane, and stated that two of the passengers were missing, but that the remainder had reached the shore in the lifeboats.

Other details of the accident, however, were meagre, and it is not known how the Spokane ran aground. The wireless message relayed to this city by the station at Cape Laz led as follows: "Steamer Spokane struck a rock in Seymour Narrows at 11 p.m. and was beached in Plumper's Bay. Passengers landed; two reported missing. Expect City of Seattle soon. Prince George standing by."

The extent of the injuries the Spokane has sustained cannot be ascertained, but undoubtedly she must be severely damaged or it would not have been necessary to beach her.

Aboard the Spokane were 160 passengers, including many easterners, and a crew of 85. Among the passengers were Miss R. M. Woodrow, Vancouver; Dr. A. H. Dannebaum, Prof. Henry F. Farman, and Miss Louise and Catherine Farman of New York; C. E. Parrall and wife, of San Francisco; H. W. Pogue and wife, of Portland; Misses Francis, Justice and Elizabeth O'Rourke, of Seattle; Mrs. W. D. Harwood, of Chicago; Mrs. A. S. Burr, of Seattle; W. Lodge and wife, Harry B. DeLahunt and wife, and Gilbert Lucas, of Baltimore; H. B. Lindley and wife, E. G. Wittingham, Lawrence T. Baker, Miss Ethel Kennedy and Miss Pearl Powers, of Los Angeles; F. M. Hickey, B. F. Hecht, A. B. Miller, Mrs. E. Zeller, H. S. Manheim, G. Loeb, G. F. Williams and wife, and Misses G. and A. Williams, of San Francisco.

The Spokane is one of the best known vessels on this coast, having gained much publicity through having made the Alaskan excursion every year. She was built in San Francisco in 1902 and is 2,000 tons. The Spokane is handsomely furnished for tourist traffic and has become quite a popular vessel on the coast. The 12-day round trip passage between Sound points and Victoria and Alaska by the inside passage was a favorite one with easterners, and the berths were always sold out long before the ship sailed. On leaving Victoria every steamer was filled, and for the next three trips everything is lean on the coast.

It is not known whether the injuries to the Spokane are so serious as to make it necessary for the company to cancel the remainder of the excursions.
