1 Juginess S. KERR & SON.

The Gazette gives the following report of Merritt Lord. White and McIsasc were was on Saturday last that he first had suspicion that goods were being taken from connections, pipings, etc., were plentiful Lord case especially, in which there was acid used. The articles were quite rare here having besu made in Austria. He believed

mony was taken, portions of it sounding almost like a chapter from a dime novel. Dr. McLaughlin called him to one side saying "You had better be careful on Saturday" and Mr. J. B M. Bixter, who has successfully defended Lord on several previous occasions, appeared for the defence. The evidence of George H. White was first taken.

Mr. White is Mr. Mooney's outside foreman He asked him why : and he (McLaughlin) Mr. White is Mr. Mooney's outside foreman at Mispec. He said he knew the defendant, who worked at the pulp mill last March as an oiler. He saw him at Mispec about a week ago, and spoke to him. They both boarded at McIsaac's. They carried their duner to the mill and walked back together at night. Shown the pieces of brass stolen, the witness said he saw them at McIsaac's, in a pile in a corner of a room where Frank Daly slept. He asked Lod where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from, and Lord said "I where the stuff came from and the dold not twent to tell. Witness said he did not want to tell. Witness said he would compel him to do it and McLaughlin said he did not want to tell. Witness said he would compel him to do it and McLaughlin said he did not want to tell. Witness said he would compel him to do it and McLaughlin said he did not want to tell. Witness said he would compel him to do! Lord the mill about it. Mr. Mooney then called White into his office and questioned him. White said he had heard Meritt Lord talking about it. He said Meritt Lord talking about it. He said Meritt Lord talking about it. He said the mould tell him all about it. Mr. Mooney then called White into his office and questioned him. White said he had heard Meritt Lord talking about it. He said to do! where the stuff came from, and Lord said "I other things I could tell you," and on being said parish for the following amounts: He (Lord) remarked how dead easy it was to spring. White told him of a conversation

After visiting the mill they went to the

workmen were usually reticent about telling

him unprepared he was mistaken. Lord said it was not true. He (witness) told him he could prove it and the prisoner walked away smiling. Lord said he was willing to meet the witness at Mispec next week.

Police Magistrate Ritchie committed Lord for trial, fixing his bail at \$2,000, which the prisoner could not procure.
