FIRE IN FAIRVILLE.

It Was Only a Slight Blaze—Incendiarism Suspected.

The Fairville fire department was called out this morning to a blaze in McCormack's barn, on McLure's Hill, opposite the Baptist church. Before the fire department arrived, however, the fire was put out. Very little damage was done. It is believed that this fire, as well as a number of other small blazes which occured lately, was set purposely.

Last Friday James Mott, of Springfield, Kings county, trapped and shot a large bear. This is the second bear he has caught within two weeks.

CARLETON INDIGNANT.

Fairville Firemen Wouldn't Help Yesterday—Department Has No Adequate Supply of Ladders.

Residents of the West Side are registering a big kick because the Fairville fire steamer was not sent to assist the Carleton firemen in their attempt to save the Church of the Assumption yesterday. The Carleton people claim that if the Fairville engine had been put at work they would have been able to use an effective stream on the fire. The idea is that the engine would have been used as a relay for the streams, the stretch being too long for one steamer to do effective work. The Carleton people further say that at the time of the big Fairville fires they rendered all the assistance in their power and are surprised that the Fairville department did not turn out yesterday.

Another kick that the Carleton people have registered is that the ladder truck, in use on the West Side is not properly supplied with ladders. Yesterday there was not a ladder on the truck that was of any benefit to the department and they had to borrow ones from Colby Smith. There is a big kick over this state of affairs.

IN YORK COUNTY.

FREDERICTON, N. B., Oct. 27.—The Grits have brought Dr. Pugsley here to speak in their behalf at the joint meeting to be held at the Opera House this afternoon. The bringing of outside speakers to take part in these proceedings show how deficient the Liberals feel they are in this constituency in the speaking talent. The bringing of the attorney general here will not strengthen the Grits in this county.

IN WESTMORLAND.

(Special to Star.)

DORCHESTER, N. B., Oct. 27.—Hon. H. R. Emmerson, minister of railways, and H. A. Powell, Conservative, were put in nomination here today. A large crowd is in attendance and a joint meeting is taking place.

The feature of the day was the announcement in the government organ that special trains for Emmerson's friends would run over the Intercolonial, which touches at all parts of the county. For this train hundreds of free tickets were distributed. This is the first time that a special train from which members of one political party were excluded, has ever been run over the government road on nomination day.

NOVA SCOTIA LINED UP.

(Special to the Star.)

HALIFAX, N. S., Oct. 27.—Nomination day throughout Nova Scotia passed off quietly, a full representation on both sides of politics being the result. (Special to the Star).

RICHIBUCTO, Oct. 27.—Geo. V. McInerney, Conservative; O. J. Le Blanc, Liberal, and Pascal Hebert, Independent Liberal, were nominated as candidates for the Kent county seat today. CARLETON COUNTY.

(Special to Star.)

WOODSTOCK, N. B., Oct. 27.—There is a very large crowd in town, and every one is heading for the court house. The official nominations were made at noon, F. H. Hale and Frank B. Carvell being nominated by a large number of friends. The speaking will begin at two o'clock.

FOOTBALL RECEPTION.

It is expected that not only the young men's class, but the young ladies and gentlemen generally, of Main street Baptist church, will extend a cordial welcome to the Acadia College footballists at the informal reception tomorrow evening, commencing at 9 o'clock. This hour has been selected so that the social proceedings will in no way conflict with the regular Friday evening prayer service, which is held from eight until nine. A cordial invitation is extended the young people of the church and Sunday school to be present, for a very pleasant hour and a half is anticipated. There will be a short address of welcome by Rev. P. J. Stackhouse, Rev. H. H. Roach and others and a few return remarks by the visiting team officers. Vocal, instrumental and speaking numbers will be interspersed and a running supper is to be served in the ladies' parlor. The affair will be entirely informal—merely a greeting to the Baptist boys.

Advertisements of the leading business houses in St. John are to be found in this paper.

SCHR. SEA BIRD OVERDUE.

Some anxiety has been felt concerning the British schooner, Sea Bird, Capt. L. D. Andrews, which is now 20 days out from St. John to Portland, Me., with a cargo of shingles. On Tuesday morning, however, word was received in Portland that a bank at St. George at the mouth of the Penobscot had received a draft signed by Capt. Andrews and dated Oct. 24, so it is thought that the Sea Bird had put in for harbor during the recent gales, being thus delayed, and that there is now no cause for anxiety

POLICE COURT.

In the police court this morning William Dixon was fined $8 or two months for being drunk and using profane language on the ferry boat. He pleaded guilty to both charges. A further charge of using obscene language was not pressed. Dixon is a sea captain, and belongs up the bay. He paid the fine. One drunk was fined $4 and another got off for two as it was his first offence.
