RUSSIA DECLARES STATE OF WAR TO BE AT END

TEUTONIC EMPIRES ARE IN NO DANGER NOW FROM AN INVASION FROM OVER RUSSIAN BORDER

Russia Declares State of War to Be at End and Orders Demobilization of Russian Forces on All Fronts—No Formal Peace Treaty Signed But Teutons Get Practically What They Desire—Austro-Hungary, Turkey and Bulgaria Included in Order—A Severe Setback for the Entente Allies.

An Agreement.

A despatch from Vienna says that negotiations between Austro-Hungarian and Russian commissions at Petrograd resulted on January 31 in an agreement to the effect that Austro-Hungarian civilians detained in Russia-Hungary on specified categories shall, as far as they desire, be repatriated as speedily as possible. BLACK AS DIRT ABOUT THE EYES

Liver Was All Upset and There Was Pain Under the Shoulder Blade—Two Interesting Letters.

So many people suffer from derangement of the liver that we feel here these two reports, just recently received, will prove interesting reading and valuable information to many readers of this paper.

Mrs. F. L. Harris, Keasley, P. O. Sackville, writes: "I am suffering from liver trouble—had a heavy pain under one shoulder blade all the time, and was nearly as black as dirt around the eyes, so I concluded to try some of Dr. Chase's Kidney-Liver Pills. I did so, and before I had taken one box, the pain had left me and I commenced to gain in flesh, and by the time I had taken two boxes I was completely cured and felt like a new person. My trouble was caused by heavy work outdoors, and, of course, heavy eating and constipation. I would advise anyone suffering from kidney or liver trouble to give Dr. Chase's Pills a trial."

Mrs. Charles Terry, Tweed, Ont., writes: "Before I was married I was troubled with enlargement of the liver. My liver became so enlarged that you could detect the swellings on either side, and it was only with difficulty that I could get my clothes on. A friend advised me to get Dr. Chase's Kidney-Liver Pills and take them. I commenced this treatment and used 9 boxes, which cured me at that time. Then, about two or three years afterward I was troubled again with the swelling, but only on my right side. I secured some more Kidney-Liver Pills, and took them, which finally cured me. I have not been troubled in this way since. I can cheerfully recommend Dr. Chase's Kidney-Liver Pills to anyone having kidney or liver trouble."

"We have also found Dr. Chase's Kidney and Liver Pills excellent for cures and cures. In fact, any of Dr. Chase's medicines which we have used have been good."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 26c a box, 5 for \$1.00, at all dealers, or Edmondson Bates and Co., Limited, Toronto.

NATURE'S WAY IS THE BEST.

where the healing of skin diseases and injuries is concerned. That is what the Roman physicians proved when they applied only the essences of roots and herbs to their sores and wounds.

That is why Zam-Buk is acknowledged as superior to ordinary ointments to-day, because it is Nature's Skin Healer—made from roots and herbs like the balms used by the early Romans, but more scientifically refined, blended and concentrated into convenient form for modern use.

When applied to a skin disease or sore, Zam-Buk's unusual power of penetration enables it to reach the underlying tissues where most of the disease germs are located. These it destroys, and when the diseased parts are medicinally cleansed the healing essences contained in Zam-Buk grow new, healthy tissue which replaces the old and diseased. This is why Zam-Buk cures are permanent. Zam-Buk cures from the root up, leaving no trace of hidden disease to break out again.

Zam-Buk is absolutely pure. It is also free from animal fat and consequently it cannot turn rancid, but will "keep" for an indefinite period. This naturally appeals to careful buyers and in combination with the balms' reliability, explains why Zam-Buk is always found on the medicine shelf of the good housekeeper.

Those who have used Zam-Buk say nothing can take its place for eczema, ringworm, salt rheum, boils, pimples, ulcers, abscesses, chronic sores, blood-poisoning, piles, cuts, burns, scalds and all skin injuries. 50c. box, 3 for \$1.25.
