

Loggieville

Loggieville, N. B., March 8.—The funeral of the late Mrs. Catherine Harrington, whose death occurred at the home of her son, George Harrington, last week, took place on Saturday; interment being made in St. Michael's Cemetery, Chatham.

The deceased had resided in town for many years, and had many friends who loved her quiet, unassuming manner. Sympathy is extended to the home from which she was taken.

The Death Angel visited the home of John McIntyre on Friday, removing the beloved wife and mother. The late Mrs. McIntyre was stricken with paralysis about ten days ago. Up to that time she enjoyed fairly good health. She had resided here for over thirty-five years, made friends, and retained their friendship. She is survived by her husband, three daughters, Mrs. Wade of St. John; Mrs. Knowles of Chatham; and Mrs. Duke of this town, and one son, Alex. of Maine. To the bereaved ones we extend sympathy. The funeral was held on Sunday; interment in Brookside Cemetery.

This town at the present time is undergoing a siege of gripe and colds. Nearly every home during the past few days has been more or less affected. Whole families have been laid aside. Dr. McKenna has been ill for several days. Drs. Losier and Marven of Chatham, have been busy among the afflicted.

Miss Queneau Manderson has gone to Moncton to engage in work there. Miss Blanche O'Hearn arrived here from Massachusetts on Saturday, owing to the illness of her sister, Mrs. A. D. Gilfillan.

is visiting her sister, Mrs. William Lusher and Mrs. James McLean. Mr. and Mrs. William Russell are receiving congratulations over the arrival of a son in their home.

Miss O'Leary of Chatham, was a recent guest of Miss Annie Fraser.

Mr. and Mrs. Robert Loggie have gone to England where they will spend the next two months.

Mrs. Ken Grieve is visiting Burnt Church relatives.

Mrs. Dempsey, who has resided here for the past six years, has gone to Tabusmet, where she will spend a couple of months, previous to moving to Moncton, where she will in future reside. A few evenings previous to her departure from this place, a number of her friends gathered at the home of her brother, Will Hurler, and presented her with a beautiful leather travelling bag. During the evening refreshments were served and several hours spent pleasantly with games and music.

On Monday evening of last week about twenty-five friends of Mr. and Mrs. Howard Noble met at their home to celebrate with them their marriage anniversary. The time was pleasantly spent in various amusements, and about midnight dainty refreshments were served.

Mr. and Mrs. Herbert Edwards and little son, Arthur, have moved into the Dempsey house.

Mrs. Kelly, who spent the winter with relatives in town, has returned to her home in Biggstown, Mass.

Fred Hervey has gone to Lynn, Mass., to engage in work there. His friends wish him success.

REAL "INSIDE" INFORMATION

When Constipated, Bilious, Headachy, Take "Cascarets" for Liver and Bowels—No "Shake Up"

Are you keeping your bowels, liver, and stomach clean, pure, and fresh with Cascarets, or merely whipping them into action every few days with Salts, Cathartic Pills, Oil, or Purgative Waters?

Stop having a bowel wash-day. Let Cascarets gently cleanse and regulate the stomach, remove the sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the colon and bowels all the constipated waste matter and poisons so you can straighten up.

Cascarets tonight will make you feel great by morning. They work while you sleep—never gripe, sicken, or cause any inconvenience; they cost you little, too.

QUOTATIONS IN ST. JOHN MARKET

The St. John market was comparatively quiet this week. In wholesale groceries, molasses dropped five cents a gallon. This was due solely to the exchange rate, as molasses is still commanding rising prices in Barbados and the other islands in the West Indies.

Country beef and veal went up from one to two cents a pound over last week's price. There was no change in wholesale fruits. In the City Market, butter and eggs were much more plentiful than they have been for some time. Good butter could be had for from sixty-five to seventy cents a pound, while in some stalls the prices were even lower. Fresh eggs were selling at from seventy-five to eighty cents a dozen, the prices varying a great deal. Lobsters are being sold in the fish markets, after a long absence; the prices asked are high. There was no change in hay and feed or oil. Calfskins dropped from five to ten cents a pound.
