GIRLS! LEMONS

BLEACH SKIN WHITE

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter pint of harmless and delightful lemon bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly note the beauty and whiteness of your skin. Famous stage beauties use this lemon lotion to bleach and bring that soft, clear, rose-white complexion, as soft as a troika, sunburn, and tan bleach because it doesn't irritate.

English Sportsmen To Cross The Pond

Coming Over to Witness the Carpenter-Dempsey Fight and Have Ordered Seats.

New York, May 31.—The advance reservations already assure a record-breaking attendance at the Carpenter-Dempsey fight at Jersey City, July 2. Both in gate receipts and actual number of spectators, the records established at the Johnson-Jeffries, Johnson-Willard, Willard-Moran and Dempsey-Willard bouts are certain to be surpassed.

In the 500 section alone close to 4,000 seats already have been reserved.

Orders for these high-priced sections are not confined to local patrons. San Francisco and Los Angeles enthusiasts have paid for 300 and 550 seats respectively. Two blocks of Chicago orders call for a total of 750 fifty dollar seats, and an order for 100 similar priced coupons was received from London recently, with the intention of crossing the ocean for the bout. A cable also announced that a block order was on its way from Paris.

Babe Ruth Makes Another Homer

Sent Ball Over Right Field Wall Yesterday, Making Fifteenth for Season.

Washington, May 31.—Babe Ruth made his fifteenth home run of the season today, sending the ball over the right field wall with two on base in the ninth inning, but New York lost to Washington 12 to 6. It was Ruth's 11th home run of his Major League career, and set a new Major League record. The former record of 117 home runs was held by C. C. Gray, formerly of the Philadelphia Athletics.

St. Georges Shut Out Athletics

The St. Georges in the West End Intermediate League last evening played seven innings, made twenty-four runs and shut out the Athletics. White pitched good ball for the winners being only found for two hits, while Parise and Fitzgerald for the Athletics were found for eleven safe ones. Jones of the Athletics tried to stretch a three base hit into a homer and was caught at the plate. L. Maxwell of St. Georges hit a home run. The game this evening will be between St. Georges and St. Rose.

De Martigny Bill For Divorce Off
Application Creating So Much Controversy is Withdrawn by Promoter.

Ottawa, May 31.—The de Martigny divorce bill, which has aroused so much controversy, is to be dropped. This statement was made in the House of Commons tonight by Hon. Rodolphe Lemieux, who said he had been so informed by the promoter of the bill, Norman Guthrie. Mr. Lemieux made his statement in committee and moved that the committee rise and report progress.

Protests Withdrawal
A vote was demanded and resulted in the passage of Mr. Lemieux's motion by 17 to 16, partly lines being disregarded in the vote. A protest against the withdrawal of the bill was made later in the House by Dr. J. W. Edwards, Frontenac. The speakers could not withdraw the bill without the consent of the House, Dr. Edwards claimed.

FLEET FOR HALIFAX
Victoria, B. C., May 31.—The Canadian naval squadron will leave Esquimalt for Halifax on Friday, June 3. It was announced at the Esquimalt yard yesterday. The destroyer Patriot, which is having her hull repaired, will be left behind if not completed by sailing day. She will rejoin the Aurora and Patricia at one of the ports of call. Halifax shall be reached by the squadron July 27.

BEADED BLOUSES
In spite of the reports of last season that beaded blouses would no longer be in vogue, there is a strong demand for them. The policy of several blouse houses of having blouses fashioned in France and then shipped to this country has been a wise one. It is claimed, for one reason, that the blouses are made from American patterns, which insures their fit, and again they are developed for the American woman under American supervision.

From the models which have already been received, the continued popularity of the beaded blouse can well be understood. Fashioned of the most desirable materials, such as georgette, crepe de chine and satin in the finest quality fabrics, they are proving to be not only desirable for wear with the suit, but with sports skirts as well.

FOUR SOLDIERS SLAIN
Cork, May 31.—Four soldiers were killed, two mortally wounded, and twelve slightly wounded when they were attacked at eight o'clock this morning while marching from the Youghal barracks to the rifle range. Near the golf links the road had been mined and an intense fire was opened on the soldiers. Bombs also were used. The injured men replied to the fire of the attacking party.

A curate who was driving to celebrate mass got into the line of fire and was wounded. His driver was killed.

Cricket Results In Old Country

London, May 31.—In today's cricket Kent scored 219 and 279 for 9 wickets when the innings was declared and beat Northamptonshire, with 81 and 133, by 284 runs. Hardinge made 123 for Kent in the second innings and Freeman for the same country had 13 wickets for 67 runs in the whole match.

Middlesex only needed 77 runs in the second innings to beat Somerset and won by 8 wickets. Somerset scoring 161 and 221 against scores by Middlesex of 216 and 77.

Warwickshire beat Worcestershire by 4 wickets. Somerset scoring 151 for Worcestershire. The scores were: Worcestershire 158 and 276; Warwickshire 265 and 148 for 7 wickets. Against 214 runs by Essex, Gloucestershire made 120 and followed on, scoring 331 including 157 by Barnett, leaving Essex with 126 to get in the second innings which the team failed to do. Essex scored 67 runs and lost by 60. Parker took 7 wickets for 32 runs.

Derby Centre of England Again

Betting Heavy on Biggest Raging Event of the Season.
London, May 31.—Who will win the Derby tomorrow? That is the great question being asked today on Epsom Downs, with, in absence of racing trains, tens of thousands will travel tomorrow by every kind of wheeled conveyance, by air, and even on foot.

The great classic race for three years has a very open appearance. There is no outstanding favorite. Cancellation of racing over a period of several weeks in April and May threw the racing machine out of gear and a number of horses will go to the post tomorrow quite untested so far as their public record goes.

As a general rule the winner of the two thousand guinea—run on April 28, at Newmarket—is favorite for the Derby, and it is likely enough that the hero of that occasion, Lord Astor's Craig An Bruin, will hold first place in the betting tomorrow, his price being four to one against.

In that race he beat among others, Sir J. Buchanan's Allan Brock, who is now second favorite at five to one. Craig An Bruin did not win the two thousand in anything like overwhelming style; he had to be driven and as Allan Brock has come on a lot since he ran fourth in the Newmarket classic and is a proved stayer, his supporters have a quiet confidence that the mile and a half of the Derby course, with its difficult turn at Tattenham corner and uphill drive to the finish will change the result.

THE THISTLES WON
The Port Howe Thistles trimmed the Long Warr Eagles by a score of 6 to 2 in an interesting game on Long Wharf diamond last evening. The winning battery consisted of Marr, Martin and Turner, the losing team of Coyne and McNulty. Umpire Ganes. The rosters disappeared rather quickly after the game on the approach of two cops who thought a riot had broken loose.

The Thistles are out with a challenge to the Young Pirates, for a game to be played on the Rockwood diamond Monday at 7 p. m. Answer through Standard.

Ottawa and Toronto Job Printers Out
Forty-Four Hour Week Main Point of Dispute in the Disagreement.

Ottawa, Ont., May 31.—Printers, pressmen, bookbinders and apprentices will strike in fifteen out of the twenty-three job printing shops in this city tomorrow, union leaders announced tonight. About three hundred members are affected. The main difficulty between the master printers and the employees in the job plants is the question of hours. The union is demanding a 44-hour week, which the master printers have refused to grant. The union is also demanding \$44 a week wage. The agreement that they might reduce their wage demand if the 44-hour week was conceded, but the employers claimed that under present conditions they could not grant the 44-hour week. They offered \$36 for a 48-hour week and \$37 for night men.
